

# Satellite Vote Centers & Drop Box Sites

This year Detroit has added **30 Drop Box Sites** and **23 Satellite Vote Centers** for Detroiters to register, vote and drop off their completed absentee ballot from now through Election Day, **November 3, 2020**.

## Here are the ways you can vote:

- 1.** Visit a **Satellite Vote Center** to register to vote and to vote absentee in person. Remember you can register to vote at any time including the day of the election.
- 2.** Visit any of the secured **Drop Box Sites** to drop off your completed absentee ballot from now through Election Day.
- 3.** If you choose to mail your completed absentee ballot, please mail it as early as possible. Instead, the Department of Elections strongly encourages voters to **take** their completed absentee ballot to one of **30 drop boxes** or **23 satellite locations**.
- 4.** If you are registered to vote and did not vote early, visit your assigned Detroit polling location on **November 3, 2020**.

**REMEMBER!** If you do not LIVE in the house or if you are not an immediate family member or postal worker, you cannot drop off, mail, or pick up a ballot for another person.
