# REWARD SYSTEM

Consumers use the Local Frequency app to earn cash back on every purchase they make with the app. There are two types of cash back rewards.

Load & Pay: Use your credit card to load Local Dollars on to your account and spend your Local Dollars though the app to earn a percentage back on each purchase.

Earn & Pay: Pay with your typical form of payment (cash, debit, credit) and earn a percentage back on your purchase by scanning your personal Local Frequency rewards QR

Tiered Reward System

Tier One Reward: Load & Pay, Highest Reward Available

Tier Two Reward: Earn & Pay, Smaller Reward Available

Details on reward percentage set by the individual businesses.

Loading Local Dollars in-app flow

Select amount to load
