ANCIENT TERRITORY

Even in a country as big as Australia, the Kimberley always makes and leaves a big impression. Its Dreamtime legends, imposing rock formations and deep gorges give the region an otherworldly quality. Plunging waterfalls offer a cooling break from the heat. It's an ideal place for those seeking adventure of a truly epic spirit and something else: time to reflect on the region's ancient human history and consider the wonders of nature in their purest, most raw forms. Cruise the wild and untamed North West coast of Australia, to the remote Kimberley region aboard the elegant *Silver Explorer* with Sonia Jones Travel in 2021.
