## Luxury Rail Journeys

---

**There's something quite alluring about a luxury rail journey.**

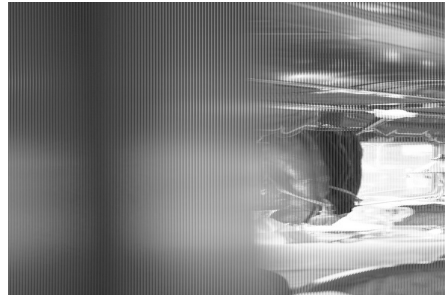

These routes are often remote, with spectacular scenery, gourmet dining experiences and aboard some of the world's most iconic trains.

Luxury train travel offers a unique way to explore destinations while enjoying the comfort, elegance and ease of a train journey. But where start? Here are a few of SJT's favourite luxury rail journeys to inspire your inner rail enthusiast...

---

**Venice Simplon-Orient-Express (A  
Belmond Train):**

The Orient Express is one of the most iconic luxury trains in the world. From Paris to Istanbul and a host of European destinations in between, you'll enjoy luxurious cabins, gourmet dining, and a glamorous 1920s ambiance. Be it for one night or five, this is the ultimate in bucketlist rail journeys!

### **Royal Scotsman (A Belmond train):**

Journey through Scotland's stunning landscapes, stopping to visit castles, distilleries and lochs. Be it a journey filled with thrilling excursions, an exploration through the pages of history, or a lesson of whisky tasting with a dram or two at world-class distilleries, riding aboard Royal Scotsman is one of those pinch-me moments.

### **Rocky Mountaineer:**

Explore the Canadian Rockies in style on board the Rocky Mountaineer. Take in the breathtaking scenery of Western Canada through the train's glass-domed carriages. The culinary experience and service onboard Rocky Mountaineer is second-to-none. Unlike other scenic rail journeys, you'll travel by day on the train, and sleep in a hotel at night - all coordinated with ease and precision by the ground crew. Why not combine it with an Alaskan cruise to make the ultimate North American bucketlist trip?

### **Rovos Rail:**

Explore Southern Africa in style aboard Rovos Rail. Journeys range from 2 days to 2 weeks and link some of the continent's greatest destinations with a variety of off-train excursions. Step aboard the vintage

wood-panelled coaches and sit back as some of the most varied scenery imaginable unfolds beyond the windows. With discreet and friendly service, top cuisine and a selection of South Africa's finest wines, Rovos Rail encompasses the timeless grace and high romance of African exploration.

### **Eastern & Oriental Express (A Belmond Train):**

Looking for something closer to home? All aboard the Eastern & Oriental Express, our luxury train in Malaysia and a travelling memoir of a beguiling age. The signature cream and green exterior gives way to polished wood-panelled corridors and silken

furnishings with a hint of multiple Asian designs. Your days are filled with lush mountainscapes, beautiful beaches and verdant jungles. This is slow travel at its best!

### **The Ghan:**

Journey through the heart of the Australian Outback from Adelaide to Darwin aboard the Ghan. This unforgettable Australian adventure is all-inclusive and combines with immersive off-train experiences and a regionally-inspired menu to showcase the best of red centre. Break your journey in Alice Springs and add a visit to Uluru and Kings Canyon, or extend before or after the journey (or both!) and venture to Kakadu in the north, or Kangaroo Island in the south?

*These journeys provide an unforgettable blend of luxury and adventure, allowing passengers to experience the beauty of various destinations in comfort and style.*
