

# The Strengths Wheel

*Write your top 10 themes on the wheel below.*

*Then, start exploring all of the possible theme combinations on the wheel.*

- 1) What did you learn about yourself?
- 2) Looking at your top 10 themes, which combinations seem likely to you and why?
- 3) Looking at your top 10 themes, which combinations seem unlikely to you and why?
- 4) Which theme combinations lead to the greatest results in your life?
- 5) Which theme combinations lead to the greatest results at work, in your role? How?

# The Strengths Wheel

*Write your top five themes on the wheel below.*

*Then, start exploring all of the possible theme combinations on the wheel.*

Let's think about how these themes may work together.

- 1) Do you see immediate connections between any two of these themes?
- 2) How do these two themes influence each other?
- 3) How do these two themes together help you? Do these two ever get in your way?
- 4) What does it sound like or look like when you put these two themes together?
- 5) How do these two themes connect?
