Gate Call Box: 865-876-8224

Chelaque Estates Gate Operation: If you have a visitor or delivery service needing to gain entry via our Gate, please instruct the visitor they must use the keypad on the Call Box at the entrance in order to open the Gate. Instruct them to approach the Call Box and scroll to find the desired name. **Or**, if they know the 5 digit owner specific number, it can be entered in the Call Box without scrolling to the owner name. When a number is entered into the Call Box or a name selected, it will call the owner's designated phone. When you answer the phone, the person requesting entry can be heard. You can respond to them and then enter **9** to open the Gate before hanging up.
