

CALL TO ACTION: ACTIVITIES
PAVILION AREA IMPROVEMENT PLAN
COMMITTEE EVALUATIONS AND RECOMMENDATIONS

1) September 2021:

As the #1 priority for pavilion improvements, the Committee recommends alternative 4 (construction of the all-purpose area) This alternative provides for the greatest versatility of the options considered by satisfying space requirements for gatherings and provides an area for recreation and enjoyment. A specific price quote has been received, studied and evaluated by the committee. The CHOA Board discussed at the September 2021 meeting. The Plan, with the details, will be posted on the Chelaqueestates.com website to provide the community an opportunity to comment. Upon CHOA Board approval, this option will be pursued.

NOTE: Board approved funding for the purchase of a gas grill at the September 2021 Board Meeting.
