

Help Protect Access to Complex Rehab Technology
-- Sponsorships Available For 2022 Virtual CRT Congressional Fly-In --

Dear CRT Community Leaders,

We ask that you help us, so that we can help you. We are reaching out with a request you sign-on as a sponsor of our **2022 Virtual CRT Congressional Fly-In**. This event, a long-standing partnership between NCART and NRRTS, will be held on **Wednesday September 14** and brings together CRT stakeholders and others from across the country for crucial advocacy discussions with their Members of Congress.

As we have seen over the years, Congress is an indispensable ally to protecting CRT at the federal and state levels. These policy makers and influencers must hear from their constituents who prescribe CRT, manufacture it, provide it, and use it. They need to be personally informed of the issues at hand and asked to implement the fixes needed to protect access for individuals with disabilities.

We will be holding the Fly-In virtually and are excited that this will allow everyone to deliver important CRT access messages to their Members without leaving their homes or offices. Reminding Congress about the importance of appropriate access to CRT is a message that needs to be delivered now more than ever.

Our program is 100% CRT-focused and depends on the financial support of the industry. That support enables us to contract with Advocacy Associates, a D.C. firm that will schedule the virtual meetings and supply the needed technology. And for the first time we will be allowing ALL advocates to participate at NO COST to encourage the broadest engagement. Your support enables us to do this!

Over the years we have learned that a collaborative advocacy voice that includes consumers, clinicians, other disability advocacy organizations along with providers and manufacturers has been a key part of our success. This event will keep that collective effort and momentum moving forward.

Here's where we need your support. Sponsorships are available at three levels: Premier \$5,000, Partner \$3,500, and Supporter \$2,000. The attached one-pager outlines the benefits available at each level and we are including a fillable Sponsorship Form to submit with your commitment. **We sincerely appreciate you considering being a sponsor and ask for your reply by Friday June 10 so we can finalize our planning.**

On behalf of our mission to protect CRT access, thanks in advance for your support and we look forward to putting on a great and productive event. Please contact us directly if we can provide any additional information.

Best Regards,

Don Clayback
NCART Executive Director
