A SOUTHERN CALIFORNIA COUNTRY ESCAPE

The Inn at Rancho Santa Fe, a Tribute Portfolio Resort & Spa by Marriott, is a rustic boutique resort perched atop the hills overlooking San Diego. The 21-acre property's simplistic Spanish-California architecture integrates harmoniously into the natural landscape to create a serene country escape. This historic San Diego resort and spa is a destination for comfort, camaraderie and relaxation as well as romantic retreats, creative California cuisine, a holistic wellness spa, whiskey bar and breathtaking weddings & events.

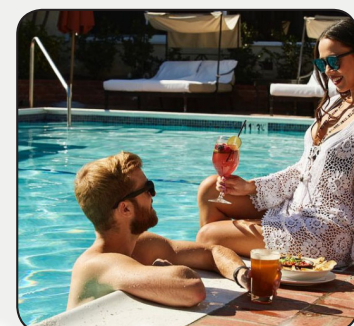

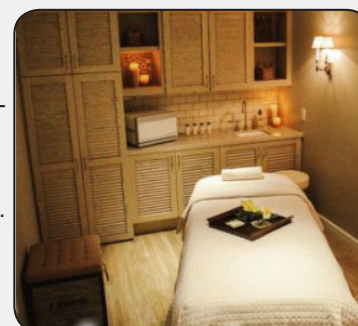

The Inn at Rancho Santa Fe has offered laidback luxury in the heart of north San Diego County's horse country since 1923. Spacious guestrooms & cottages are tucked around garden landscapes and feature wood-burning fireplaces,

private patios and an intimate ambiance, with the convenience of thoughtful service just a call away.

Morada restaurant serves a seasonal menu of creative California comfort food paired with the laidback elegance of California ranch lifestyle. The Huntsman Whiskey Bar offers a carefully curated menu of small batch whiskeys, barrel-aged cocktails and box-smoked libations in a space that pays homage to the old Santa Fe Hunt Club.

The Spa at The Inn is a serene sanctuary and holistic healing destination for body & mind, infusing native and raw ingredients into treatments. Relax with a massage, rejuvenate with a facial, or recharge with on-site yoga, chakra cleansing and sound meditation.

We have experienced Southern California lifestyle. and we recommend!
