The Coach will arrive at 7:45 am at Lowman United Methodist, 4101 SW 15th St., Topeka. We will head up North to Nebraska for a wonderful fun-filled day in Brownville. This small town has so much to offer!

Our first stop is downtown Brownville for a fascinating demonstration of a 1910 letterpress that is still used today, and then we'll visit Flatwater Folk Art Museum which features art made by locals. Next, we will take a relaxing riverboat ride on the Missouri River with lunch on board and then, it's off to their Village Theatre for a fun comedy "The Odd Couple". Oscar is a slob. Felix is neat. Oscar loves his bachelorhood, and Felix is newly divorced. When the two decide to live together in the same apartment, how will they reconcile their differences? We should be home by 5:30 pm.
