Choti Diwali

Nov 3rd, 2021 (Wednesday)

Choti Diwali: The day before Diwali is celebrated as **Choti Diwali / Narak Chaturdashi** or 'small Diwali'. It is Diwali on a smaller scale, with fewer lights lit and fewer crackers burst. The morning after Choti Diwali, the women of the house make beautiful, colored rangoli in the doorway and courtyard. Tiny footprints made from rice paste are a special feature of the rangolis made for Diwali. In Hindu homes, Choti Diwali celebrations involve a ritual puja to Goddess Lakshmi and to Rama in the evening. Songs in honor of the god are sung and Aarti.
