Each player will be entitled to one mulligan per day as part of the entry fee.

(Does not have to be on the same hole). Record the team's gross score for each hole. Net score for the round will be determined by team handicap.

Saturday: 2-Man Better Ball. Each player plays his own ball on each hole until holed out. The better gross and net scores between the partners will be used for the team gross and team net score for the hole. You must use each player's gross and net scores at least six times in this format. Record each player's gross score and net scores on the scorecard, as well as the team gross and net score for each hole **as these scores will be posted.** Circle the net & gross scores showing the 6 scores used for each partner.

HANDICAP / TEES:
