*Empowering people with disabilities of ALL AGES
with information, resources, and technology.*

EXHIBITOR LISTING 2022

#GetConnected

www.riverregiondisabilityexpo.org

The River Region Disability Expo is proud to present the 2022 Disability Expo Resource Book. I am happy to say that after 2 years behind closed doors it was great to see everyone that came out to see the services that the River Region has to offer. We connected with old friends, but we met new friends. We had several new organizations that developed just prior to COVID or during the last two years. You will find resources that include from birth to senior adult. We are already looking at a date for 2023. If there is a resource you are looking for that is not included, please feel free to give me a call or email and I will be happy to research that information.

I look forward to seeing all the vendors (old and possibly new ones) next year. Again, we want this Disability Expo to be a **ONE STOP** place for all people with disabilities.

Sincerely,

Rachel Hughes, Chairman
