# About LADWP: Who We Are

# About LADWP: Water System

- Second largest municipal water utility in the nation
- Supplies approximately 140 billion gallons per year
- Three focus areas: safe drinking water, reliable water infrastructure, and sustainable local water supplies
- Water supply sources (5-yr Average FY 2019-2023) include: L.A. Aqueduct (41%), purchased water (49%), groundwater (8%) and recycled water (2%)

Source: DWP 2023-2024 Briefing Book

# About LADWP: Power System

- Largest municipal electric utility in the nation
- In FY 2023-24, supplied more than 21,600 gigawatt hours to over 1.6M customers
- Power resources include: renewable energy (35.6%), natural gas (34.5%), nuclear (13.3%), large hydro (4%), coal (12.6%)
- Responsible for inspection, maintenance or replacement, and operation of the following: energy generation, energy storage, transmission, and distribution

Source: DWP 2023-2024 Briefing Book

# LADWP in the Eastern Sierra

- LADWP maintains and operates a number of key facilities involved in delivering water and power safely to the City of LA.
- Aqueduct System spans from Sylmar, CA to Lee Vining, CA.
- Nearly 350 Owens Valley residents work with us
- 6,000 electric customers in the Owens Valley

# Navigating the Civil Service Process

Office of Diversity, Equity, and Inclusion  
Recruitment Services Section

# Objectives

- Benefits of Working at LADWP
- Civil Service Process and Hiring Timeline
- Navigating the LADWP Eastern Sierra Website
- How to Apply for Jobs and Sign Up for Job Notifications
- Upcoming Jobs in the Owens Valley
- Helpful Links

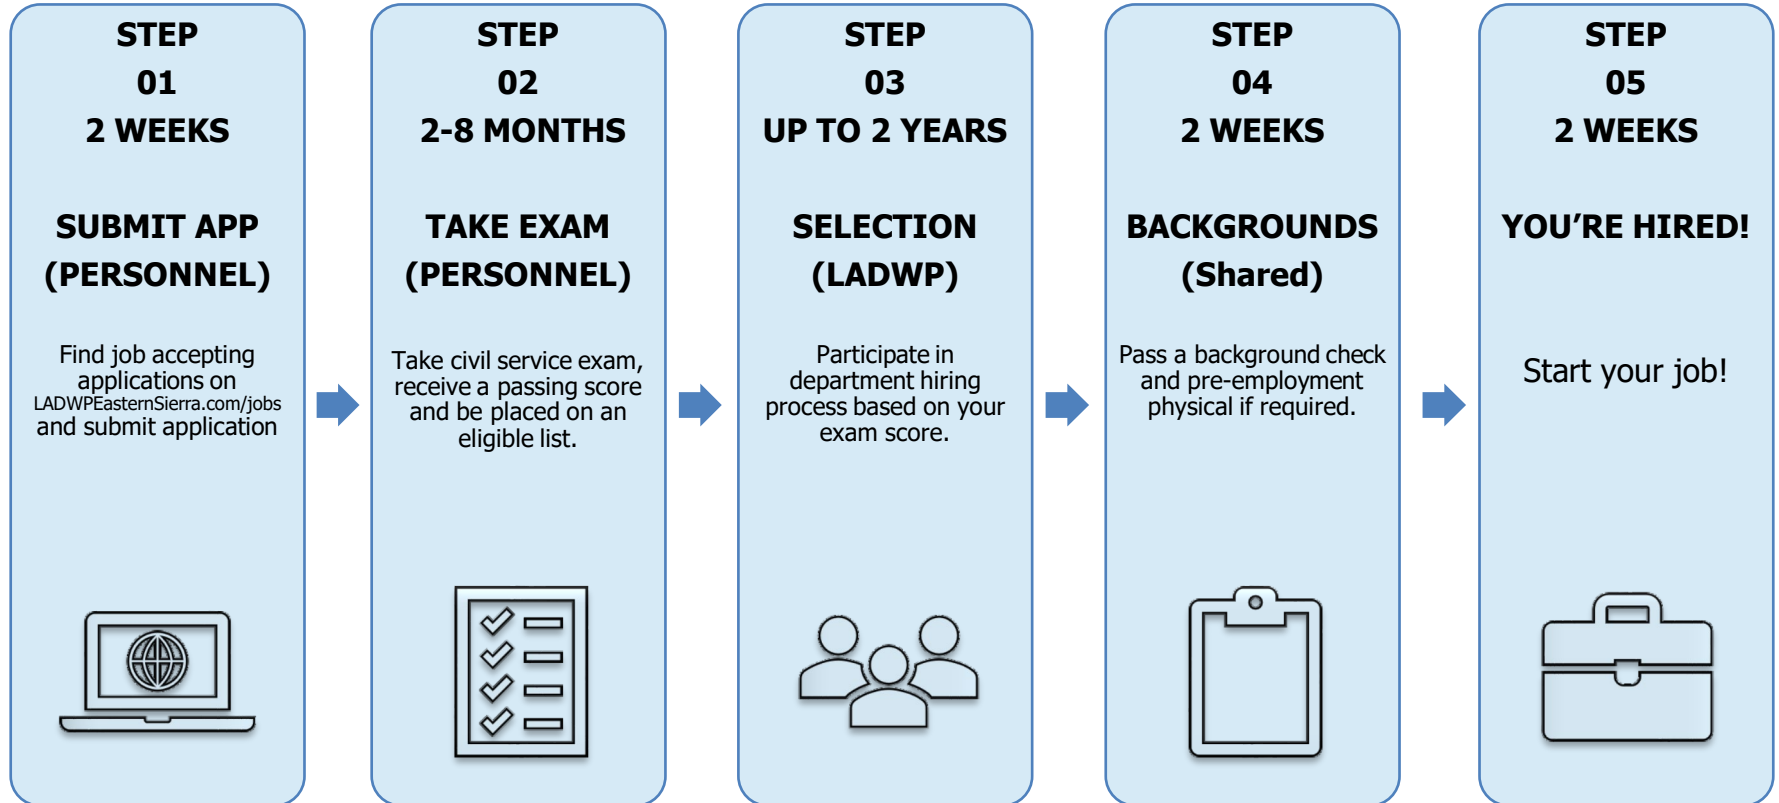

# Benefits of Working at LADWP

LADWP offers a comprehensive benefits package including:

- Comprehensive Health and Dental Plans
- Credit Union
- Pension Plan
- Deferred Compensation
- Employees Association
- Flexible Spending Accounts
- Work Schedule Options
- Paid Time Off
- Ride Share Incentives
- Tuition Reimbursement and Training
- Fitness Centers
- Work and Family Life Program

# Civil Service Process and Hiring Timeline

# Civil Service On-Line Application Process

## How to Apply for a Current Job Opening

1. Visit [www.LADWPEasternSierra.com/jobs](http://www.LADWPEasternSierra.com/jobs)
2. Scroll down to jobs under “Open Now”
3. Click on a job to review the bulletin and apply

## Notification for Upcoming Jobs & Creating an Account

1. To view all jobs, Click “Owens Valley Jobs” at the bottom of the jobs page. A PDF will open with the full list.
2. Click on any job to view the job bulletin
3. Click the “Subscribe” button in the upper right to receive an email when the job opens
4. Click the “Sign in” button in the top right corner to create a profile

# Be Part of the Team

More than 300 Eastern Sierra residents work with us as civil engineers, administrative clerks, aqueduct and reservoir keepers, electrical engineers, construction helpers, and many other positions.

3. Candidates from the eligible list are normally appointed to vacancies in the lower pay grade positions.

# Duties

An entry-level Electric Distribution Mechanic works as a trainee under close supervision of journey-level workers. Trainees receive extensive classroom training as well as on the job training as a cable splicer and as a line mechanic.

Electric Distribution Mechanic trainees assist in the construction, maintenance and repair of overhead electric power sub-transmission and distribution lines and equipment; constructs high-voltage distribution pole lines; makes construction changes to existing lines and equipment; repairs power lines and line equipment; repairs and reroutes services; sets poles; installs transformer racks; hangs and installs transformers and switches of various types and sizes; installs overhead street lights and guy wires; makes repairs to energized lines; performs limited line clearance tree trimming; installs watt-hour meters; uses appropriate live line tools to install and remove approved protective covering on energized distribution and sub-transmission circuits of 7.5kV and above; and climbs poles.

Electric Distribution Mechanic trainees assist in the construction, maintenance, and repair of underground electric power, transmission, sub-transmission, and distribution cable work. Performs work activities in connection with underground cable installation and removal; pulls cables and service lines through sub-structures, vaults, duct lines, up poles and walls, over roofs of buildings and to customers' service panels; performs rigging operations of cable pulling equipment; installs and removes transformers and related equipment in vaults and sub-structures; splices energized and de-energized low-voltage cables, splices high voltage de-energized cables; maintains gas and oil filled cable and equipment; installs watt hour meters; and climbs poles as related to underground work.

A journey-level Electric Distribution Mechanic performs skilled mechanical and electrical work in connection with the construction, maintenance, and repair of energized and/or de-energized overhead and underground electric transmission, subtransmission, distribution, communication, and utilitarian street light lines, cables, and equipment; and may work as a mentor over a group of skilled craft workers.

# Requirements

## REQUIREMENT(S)/MINIMUM QUALIFICATION(S)

1. Completion of an apprenticeship program sanctioned by the International Brotherhood of Electrical Workers (IBEW) national organization in conjunction with the National Electrical Contractors Association (NECA), and possession of a valid journey-level line worker card issued by IBEW; **or**
2. A pole climbing proficiency certificate issued by an accredited lineman's college or by the Department of Water and Power, Power System Safety and Training, or completion of a recognized Advanced Training Pole Climbing program while in the United States military; **and one of the following:**
  - a. Six months of full-time paid experience assisting or working on an overhead and/or underground Electrical Distribution or Transmission Construction, Maintenance, or Electric Trouble crew and assisting with and/or performing high-voltage line work in and on high-voltage power poles, transmission towers, and underground electric substructures. Six months experience must be specific to assisting with and/or performing work at voltages of 4.16-kV and above; **or**
  - b. Six months of full-time experience performing electrical work on equipment and circuits in the maintenance or construction of electrical distribution systems while in the United States military; **or**
  - c. Eighteen months of full-time paid experience performing line clearance tree trimming; **or**
  - d. Eighteen months of full-time paid training and experience chipping around energized 4.8-kV and 34.5-kV electrical conduit systems; **or**
3. Certificate of completion of the Electrical Lineman Program from Northwest Lineman College; **or**
4. Certificate of completion of the Powerline Mechanic-Trainee Program from the Los Angeles Trade Technical College.

## PROCESS NOTES

1. A valid driver's license issued by a Department of Motor Vehicles in the United States is required prior to appointment. Applicants will be disqualified and not eligible for hire if their record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation (such as DUI).
2. A valid California Class A driver's license (or comparable state issued driver's license of where the position is assigned) and medical certificate approved by the State of California Department of Motor Vehicles (or respective state) is required upon completion of the temporary training period and prior to appointment to a journey-level position. All Electric Distribution Mechanics are required to drive commercial vehicles.

**WHERE TO APPLY & APPLICATION DEADLINE**

Applications will only be accepted on-line. When you are viewing the on-line bulletin of your choice, simply scroll to the top of the page and select the "Apply"; icon.

Applicants who are applying under Requirement #1 may access the on-line job bulletin at <https://www.governmentjobs.com/careers/lacity/jobs/3881548/electric-distribution-mechanic-3879-journeylevel?keywords=3879&pagetype=transferJobs>. **This bulletin is only for candidates who will submit a copy of their certificate of completion of an International Brotherhood of Electrical Workers (IBEW) accredited line worker training program and journey-level line worker card at the time of filing.**

Entry-level applicants who are applying under Requirement #2, #3, or #4 may access the on-line job bulletin at <https://www.governmentjobs.com/careers/lacity/jobs/4319842/electric-distribution-mechanic-dd2-3879-trainee-revised-1-2-24?keywords=3879&pagetype=transferJobs>. **This bulletin is only for candidates who will not be submitting their journey-level line worker card at the time of filing.**

**NOTE:**

Applicants are urged to apply early to ensure you have time to resolve any technical issues you may encounter if you apply on-line.

**APPLICATION DEADLINE**

This examination may close without prior notice at any time after a sufficient number of applications have been received. For administrative purposes, filing may close periodically and reopen the following day.

In accordance with Civil Service Rule 4.2, all applicants who apply may not be tested in this examination. To meet anticipated hiring needs, only a limited number of qualified applicants will be invited to participate in the selection process in the following order: 1) Applicants currently employed by the City of Los Angeles who meet the minimum requirements, or are on a reserve list; 2) Remaining applicants who meet the minimum requirements in sufficient numbers to meet hiring needs based on a random sampling of those qualified candidates. Applicants not selected to be tested may re-apply in a subsequent filing period in order to be considered for that period's selection process.

**SELECTION PROCESS**

**After meeting minimum qualifications, candidates filing under Requirement #2, #3, or #4 will be scheduled for the following two tests and candidates filing under Requirement #1 will be scheduled for the Performance Test only:**

**Examination Weight:**

**Multiple-Choice Test - Qualifying  
Performance Test - 100%**

In the qualifying multiple-choice test, which will be administered and proctored on-line candidates may be examined for knowledge of: basic physical principles related to the operation of mechanical devices; the proper use and care of portable power and hand tools; basic safety principles and procedures, including first aid and safe work practices for electrical craft work and work in confined spaces; basic arithmetic; and the ability to read sufficiently to understand reference guides, maps, scales, dials, digital readings and measures; and other necessary skills, knowledge and abilities.

The qualifying multiple-choice test will be proctored and administered on-line during a single session. Candidates invited to participate in the on-line multiple-choice

Additional application periods may be listed

Type of exam

## Anticipated exam dates

For candidates who apply between **SEPTEMBER 5, 2023 and JANUARY 2, 2024**, it is anticipated that the performance test will be administered in the month of **MAY 2024**.

For candidates who apply between **JANUARY 3, 2024 and MAY 1, 2024**, it is anticipated that the performance test will be administered in the month of **AUGUST 2024**.

### NOTICE:

Test dates may be postponed in order to help protect the safety of our candidates and prevent the spread of COVID-19. Candidates will receive an e-mail from the City of Los Angeles Personnel Department if the anticipated test dates are postponed.

### NOTES:

1. This examination is based on a validation study and as provided by Civil Service Commission Rule 4.20, the multiple-choice test will not be subject to candidate ineligibility.
2. Candidates may take the test only once every 180 days during the administration of this examination. This restriction applies to both the multiple-choice test and the performance test.
3. Based on the Federal Omnibus Transportation Employee Testing Act of 1994, you may be required to undergo mandatory drug and alcohol testing prior to and during employment in this class.
4. As a covered entity under the Fair Employment and Housing Act and Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodations to ensure equal access to its programs, services, and activities. To request a disability accommodation, please complete the Disability Accommodation Form within 14 calendar days of the submittal of the City application. The Disability Accommodation Form can be obtained at [http://per.lacity.org/exams/verify\\_disability.pdf](http://per.lacity.org/exams/verify_disability.pdf).
5. Applications are accepted subject to review to ensure that minimum qualifications are met. Candidates may be disqualified at any time if it is determined that they do not possess the minimum qualifications stated on this bulletin.
6. A final average score of 70% is required to be placed on the eligible list.
7. Your rank on the employment list may change as scores of candidates from other administrations of the examination are merged onto one list.
8. Your name may be removed from the open competitive list after six months.
9. Candidates who fail the multiple-choice test or the performance test must file a new application to be considered eligible to take the multiple-choice and performance tests in a subsequent administration.
10. For candidates seeking initial City employment, in accordance with Los Angeles City Ordinance 187134, information regarding COVID-19 vaccination requirements as conditions of employment may be found at: [https://clcrep.lacity.org/online/docs/2021/21-0921\\_ord\\_187134\\_8-24-21.pdf](https://clcrep.lacity.org/online/docs/2021/21-0921_ord_187134_8-24-21.pdf).

### Notice:

*If you receive and accept an offer of employment to a regular position with the City of Los Angeles, your employee benefit coverage (including health and dental coverage as well as life insurance) will commence approximately six weeks after your original regular appointment. Not all positions in the City receive benefit coverage; you should inquire regarding the availability of employee benefits prior to accepting a position. All City employees are required to be Disaster Service Workers.*

**THIS EXAMINATION IS TO BE GIVEN ONLY  
ON AN OPEN COMPETITIVE BASIS**
