Employee Notices:

Reminder to all employees that a self-check is mandatory before entering any LADWP facility or vehicle where you will be carpooling with another employee. Self-check questions are posted at all facility entrances and include asking yourself each time if you have cold or flu-like symptoms. If you do, regardless of how minor they are, you are required to stay home and contact the Resource Office at EXT. 74444 for guidance.

If you are calling to report a positive COVID test result, please call the hotline at (213) 367-6888 or email C19positive@ladwp.com. For the latest information on COVID-19 response, please visit www.ladwpemployeeinfo.com and sign up for text alerts on personal devices by [clicking here](#).
