A Hydrographer gathers, records, and compiles hydrographic and meteorological data pertinent to municipal water supply and rights.

Duties

A Hydrographer gathers, records, and compiles hydrographic and meteorological data pertinent to municipal water supply and rights.

NOTE:

Hydrographers may be required to climb ladders and work up to 90 feet above ground on the outside of water tanks and towers, and up to 90 feet underground in confined spaces, such as seepage and reservoir vaults, and lift objects weighing up to 90 pounds. They may also be required to carry backpacks at high altitudes, in adverse weather conditions and in isolated areas, and use skis, snowshoes, snowmobiles, and all-terrain vehicles (ATVs).

Requirements

REQUIREMENT(S)/MINIMUM QUALIFICATION(S)

Two years of full-time paid experience in hydrography or field surveying, or in one or more of the following fields: utility electronics technician, computer electronics technician, computer control systems technician, communications systems technician, or communications instrumentation technician.

One year of education from an accredited college or university of which 12 semester or 18 quarter units must be in engineering, physical sciences or agricultural management may be substituted for each year of experience lacking.

PROCESS NOTES

1. A valid Class C driver's license issued by the California Department of Motor Vehicles (DMV) is required at the time of filing. Applicants will be disqualified and not eligible for hire if their DMV record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation such as DUI.
2. A valid Class A or Class B driver's license issued by the California Department of Motor Vehicles (DMV) is required at the time of appointment. Candidates will not be eligible for appointment if their DMV record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation such as DUI.
3. Applicants wishing to substitute education for the aforementioned full-time paid experience in the Requirement, one year of college or university education will be substituted on the basis of 30 semester or 45 quarter units. For this substitution, applicants must list each course title, school name and location, number of semester or quarter units, and completion dates in the Supplemental Questions section of the on-line application.
4. Please note that qualifying education must be from a college or university accredited by a City of Los Angeles recognized agency. A list of approved accrediting agencies can be found at <http://per.lacity.org/Accredited%20Institutions%2008-21-08.pdf>.
5. Candidates completing the examination process may be contacted by the Personnel Department to provide required proof of qualifying course work. Applicants who wish to expedite this process may attach a copy of their transcripts (annotated with engineering, physical sciences, or agricultural management courses, credit earned, and grade received) in the Attachments section of the on-line application at the time of filing.

WHERE TO APPLY & APPLICATION DEADLINE

Applications will only be accepted on-line on the dates listed in the "Application Deadline" section of this bulletin. **When you are viewing the on-line job bulletin of your choice, simply scroll to the top of the page and select the "Apply" icon.** On-line job bulletins are also available at <https://www.governmentjobs.com/careers/lacity>.

NOTE:

Applicants are urged to apply early to ensure you have time to resolve any technical issues you may encounter.

APPLICATION DEADLINE

APPLICATION DEADLINE

Applications will only be accepted on-line on the dates listed below:

Filing Period #1: FRIDAY, MARCH 14, 2025 to THURSDAY, MARCH 27, 2025

Filing Period #2: FRIDAY, SEPTEMBER 19, 2025 to THURSDAY, OCTOBER 2, 2025

Additional application periods may be listed

The examination may close without prior notice at any time after a sufficient number of applications have been received. Filing periods may change without prior notice or additional dates may be added, as needed, at a later date. For administrative purposes, filing will close periodically and reopen on the dates noted in the "Application Deadline" section of this bulletin.

In accordance with Civil Service Rule 4.2, all applicants who apply may not be tested in this examination. To meet anticipated hiring needs, only a limited number of qualified applicants will be invited to participate in the selection process in the following order: 1) Los Angeles City promotional applicants who meet the minimum requirement. You must have received a regular appointment to a City position or be on a reserve list to apply for this examination as a promotional candidate; 2) Applicants currently employed by the City of Los Angeles on a part-time or exempt basis who meet the minimum requirement; 3) Remaining applicants who meet the minimum requirement in sufficient numbers to meet hiring needs based on a random sampling of those qualified candidates. Applicants not selected to be tested may re-apply in a subsequent filing period in order to be considered for that period's selection process.

SELECTION PROCESS

Examination Weight:

Multiple-Choice Test: 100%

The examination will consist entirely of a weighted multiple-choice test administered and proctored on-line. In the on-line multiple-choice test, the following competencies may be evaluated: Mathematics; Interpersonal Skills; Safety Focus, including: the content and purpose of Material Safety Data Sheets (MSDSs); safety standards, procedures, and policies that must be adhered to when working in dangerous or hazardous environments; Technology Application, including application of: hydrographic meters, mechanical devices, and instruments used to measure and record water flow and pressure and electric voltage and amperage; Geographic Information Systems (GIS) used to display maps; Job Knowledge, including knowledge of: hydrography and hydrogeology concepts; flow measurement structures and their components; snow and water surveying methods and the tools necessary to perform such work; topographic features of maps; basic plumbing materials used to install hydrographic devices; methods used to interpret hydrographic and meteorological data; and other necessary knowledge, skills, and abilities.

Additional job analysis information can be obtained by going to <https://per.lacity.org/jobs/job-analyses.cfm> and clicking on Competencies under Hydrographer.

The multiple-choice test will be proctored and administered on-line during a single session. Candidates invited to participate in the on-line multiple-choice test will be able to take the test from a remote location (i.e., their home) using a computer with a webcam and a reliable internet connection. Candidates will receive an e-mail from the City of Los Angeles outlining the dates and specific steps on how to take the multiple-choice test on-line. Candidates who do not complete and submit the multiple-choice test on-line using a computer by the specified date and time will not be considered further in this examination.

For candidates who apply between **FRIDAY, MARCH 14, 2025 and THURSDAY, MARCH 27, 2025**, it is anticipated that the on-line multiple-test will be administered between **TUESDAY, MAY 13, 2025 and MONDAY, MAY 19, 2025**.

For candidates who apply between **FRIDAY, SEPTEMBER 19, 2025, and THURSDAY, OCTOBER 2, 2025**, it is anticipated that the on-line multiple-test will be administered between **TUESDAY, NOVEMBER 18, 2025 and MONDAY, NOVEMBER 24, 2025**.

Type of exam & exam content

Anticipated exam dates

For candidates who apply between **FRIDAY, MARCH 14, 2025** and **THURSDAY, MARCH 27, 2025**, it is anticipated that the on-line multiple-test will be administered between **TUESDAY, MAY 13, 2025** and **MONDAY, MAY 19, 2025**.

For candidates who apply between **FRIDAY, SEPTEMBER 19, 2025**, and **THURSDAY, OCTOBER 2, 2025**, it is anticipated that the on-line multiple-test will be administered between **TUESDAY, NOVEMBER 18, 2025** and **MONDAY, NOVEMBER 24, 2025**.

FAQs for on-line testing are available at <https://per.lacity.org/faqs/employment-testing-process.html> Candidates who do not have required equipment may have the option to take the multiple-choice test onsite at a City facility.

NOTES:

1. This examination is based on a validation study.
2. As a covered entity under the Fair Employment and Housing Act and Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and upon request, will provide reasonable accommodations to ensure equal access to its programs, services, and activities. To request a disability accommodation, please complete the Disability Accommodation Form within 14 calendar days of the submittal of the City application. The Disability Accommodation Form can be obtained at http://per.lacity.org/exams/verify_disability.pdf ([Download PDF reader](#)).
3. Applications are accepted subject to review to ensure that the minimum qualification has been met. Candidates may be disqualified at any time if it is determined that they do not possess the minimum qualification stated on this bulletin.
4. You may take the Hydrographer multiple-choice test only once every 24 months under this bulletin. If you have taken the Hydrographer multiple-choice test within the last 24 months, you may not file for this examination at this time.
5. Your rank on the employment list may change as scores of candidates from other administrations of this examination are merged onto one list.
6. Based on City Policy, you may be required to undergo mandatory drug and alcohol testing prior to and during employment in this class.
7. In conjunction with Civil Service Rules, applicants who have received a regular appointment to a City position or are on a reserve list will be considered Promotional candidates while all other applicants will be considered Open candidates.
8. The promotional list will ordinarily be used ahead of the open competitive list. However, if open competitive candidates receive a higher score, without military credits, than the highest available promotional candidate, after adding 0.25 of a point seniority credit for each year of continuous classified City service, the Civil Service Commission, upon request of the appointing authority, may approve certification of such open competitive candidates ahead of the promotional candidates.
9. A final average score of 70% or higher is required to be placed on the eligible list.
10. In accordance with Civil Service Rule, Sec. 4.24, review periods may be combined. Candidates in the examination process may file protests as provided in Sec. 4.20, 4.22, and 4.23 as applicable and within the required time frame; however, the Personnel Department may respond to and resolve protests prior to the establishment of the eligible list.

Notice:

If you receive and accept an offer of employment to a regular position with the City of Los Angeles, your employee benefit coverage (including health and dental coverage as well as life insurance) will commence approximately six weeks after your original regular appointment. Not all positions in the City receive benefit coverage; you should inquire regarding the availability of employee benefits prior to accepting a position. All City employees are required to be Disaster Service Workers.

THIS EXAMINATION IS TO BE GIVEN BOTH ON AN INTERDEPARTMENTAL PROMOTIONAL AND OPEN COMPETITIVE BASIS

The City of Los Angeles does not discriminate on the basis of race, religion, national origin, sex, age, marital status, sexual orientation, gender identity, gender
