COVID-19 Resource Office Update

November 19, 2021

Take Steps to Reduce Your Risk and the Risk to Others Help Prevent the Spread of Coronavirus (COVID-19)

- ◆ Wear Face Coverings
- ◆ Clean and Sanitize Your Hands Often
- ◆ Cover Coughs and Sneezes
- ◆ Maintain Social Distancing (Minimum 6 Feet Apart)
- ◆ Stay Home If You Feel Sick

Total LADWP positive cases to date: 1,595 (1,457 employees + 99 exempts + 39 contractors)

Positive cases currently in isolation: 26

Close contacts to positive cases currently in quarantine: 10

Location of last case reported:

111 N. Hope St., 7th Fl. (0 contacts identified) 2333 Ripple St. (4 contacts identified)

The Resource Office (RO) continues to conduct contact tracing in all cases.

If you were not contacted, you were not within 6 feet of the positive for a cumulative of 15 minutes or more.

Employee Notices: If you're experiencing COVID-19 symptoms, do not come to work. Contact the Resource Office for a recommendation and get tested regardless of your vaccination status. The RO can email you a gift code to redeem a self-administered PCR COVID test kit. For the best protection, remember to get your flu shot in addition to your COVID-19 vaccination.
