

TABLE 14 - LIST OF POTENTIAL FMS'S

FMS ID	FMS Name	Description	Counties	Project Type
22000001	City of Avinger NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Cass	NFIP/CRS
22000002	City of Bells NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Grayson	NFIP/CRS
22000003	City of Cooper NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Delta	NFIP/CRS
22000004	City of Domino NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Cass	NFIP/CRS
22000005	City of Dorchester NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Grayson	NFIP/CRS
22000006	City of Douglassville NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Cass	NFIP/CRS
22000007	City of Leonard NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Fannin	NFIP/CRS
22000008	City of Marietta NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Cass	NFIP/CRS
22000009	City of Sherman NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Grayson	NFIP/CRS
22000010	City of Tom Bean NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Grayson	NFIP/CRS
22000011	City of Wolfe NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Hunt	NFIP/CRS
22000012	Bowie County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Bowie	NFIP/CRS
22000013	Camp County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Camp	NFIP/CRS
22000014	Cass County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Cass	NFIP/CRS
22000015	Cooke County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Cooke	NFIP/CRS
22000016	Delta County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Delta	NFIP/CRS
22000017	Fannin County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Fannin	NFIP/CRS

22000018	Franklin County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Franklin	NFIP/CRS
22000019	Grayson County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Grayson	NFIP/CRS
22000020	Gregg County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Gregg	NFIP/CRS
22000021	Harrison County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Harrison	NFIP/CRS
22000022	Hopkins County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Hopkins	NFIP/CRS
22000023	Hunt County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Hunt	NFIP/CRS
22000024	Lamar County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Lamar	NFIP/CRS
22000025	Marion County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Marion	NFIP/CRS
22000026	Morris County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Morris	NFIP/CRS
22000027	Red River County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Red River	NFIP/CRS
22000028	Titus County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Titus	NFIP/CRS
22000029	Upshur County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Upshur	NFIP/CRS
22000030	Wood County NFIP Involvement	Application to join NFIP or adoption of equivalent standards	Wood	NFIP/CRS
22000031	City of Commerce CRS Involvement	Become an NFIP Community Rating System (CRS) Community	Hunt	NFIP/CRS
22000032	City of Whitewright CRS Involvement	Become an NFIP Community Rating System (CRS) Community	Grayson	NFIP/CRS
22000033	Bowie County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Bowie	Regulatory and Guidance
22000034	Camp County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Camp	Regulatory and Guidance

22000035	Cass County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Cass	Regulatory and Guidance
22000036	Cooke County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Cooke	Regulatory and Guidance
22000037	Delta County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Delta	Regulatory and Guidance
22000038	Fannin County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Fannin	Regulatory and Guidance
22000039	Franklin County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Franklin	Regulatory and Guidance
22000040	Grayson County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Grayson	Regulatory and Guidance
22000041	Gregg County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Gregg	Regulatory and Guidance
22000042	Harrison County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Harrison	Regulatory and Guidance
22000043	Hopkins County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Hopkins	Regulatory and Guidance

22000044	Hunt County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Hunt	Regulatory and Guidance
22000045	Lamar County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Lamar	Regulatory and Guidance
22000046	Marion County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Marion	Regulatory and Guidance
22000047	Morris County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Morris	Regulatory and Guidance
22000048	Red River County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Red River	Regulatory and Guidance
22000049	Titus County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Titus	Regulatory and Guidance
22000050	Upshur County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Upshur	Regulatory and Guidance
22000051	Wood County Integrated Stormwater Management Manual	Create and implement an integrated stormwater management manual that contains minimum stormwater infrastructure design standards	Wood	Regulatory and Guidance
22000052	City of Sherman Emergency Alerts	Maintain and Operate Early Alert System - an outdoor warning system composed of nine sirens throughout the City. Public announcements through reverse telephonic system as well through broadcasting local cable channels.	Grayson	Flood Warning Systems

22000053	Cooke County Warning and Emergency Response Program	Develop a community coordinated warning system and emergency response program that can detect flood threats and provide timely responses of impending flood danger.	Cooke	Flood Warning Systems
22000054	City of Avery Storm Drainage Maintenance	Develop protocol for cleaning debris from ditches and drains within Avery to protect existing and new buildings	Red River	Preventive Maintenance Programs
22000055	City of Clarksville Storm Drainage Maintenance	Bi-Annual storm drainage cleaning program to be implemented to keep debris from hampering drainage	Red River	Preventive Maintenance Programs
22000056	City of Commerce Storm Drainage Maintenance	Activate Sulphur River clean-up efforts in order to prevent flooding from buildup of debris.	Hunt	Preventive Maintenance Programs
22000057	City of Daingerfield Storm Drainage Maintenance	Bi-Annual storm drainage cleaning program to be implemented to keep debris from hampering drainage	Morris	Preventive Maintenance Programs
22000058	City of Denison Storm Drainage Maintenance	Bi-annual storm drainage cleaning program to be implemented to keep debris from hampering drainage	Grayson	Preventive Maintenance Programs
22000059	City of Dorchester Storm Drainage Maintenance	As development and construction continue, keep waterways clean and clear of obstruction for proper flow. Continued upkeep for erosion control and water flow.	Grayson	Preventive Maintenance Programs
22000060	City of Ladonia Storm Drainage Maintenance	Bi-annual storm drainage cleaning program to be implemented to keep debris from hampering drainage	Fannin	Preventive Maintenance Programs
22000061	City of Southmayd Storm Drainage Maintenance	Routinely inspect and clear debris from drainage systems. To conduct clearing activities, the city would require purchasing/renting backhoe to help with drainage ditches, retention tanks, etc	Grayson	Preventive Maintenance Programs
22000062	City of Trenton Storm Drainage Maintenance	Improvements and clearing of storm drainage system to reduce the impact of heavy rain events.	Fannin	Preventive Maintenance Programs
22000063	Fannin County Stream Maintenance	Regular maintenance, such as sediment and debris clearance, is needed so that the stream or waterway may carry out its designed function.	Fannin	Preventive Maintenance Programs

22000064	Gregg County Storm Drainage Maintenance	Monitor flood-prone areas and remove debris from drainage culverts when needed to alleviate potential flooding hazards.	Gregg	Preventive Maintenance Programs
22000070	Grayson County Flood Warning and Public Safety Improvements	Create improved gauge notification system. Increase public awareness prior to occurrences and during flooding.	Grayson	Public Awareness & Educational Programs
22000071	City of Bonham Floodplain Manager	Establish a floodplain manager for the city to regulate floodplain development and provide public information concerning flood areas.	Fannin	Regulatory and Guidance
22000072	City of Longview Flood Mitigation Training	Seek state and FEMA sponsored training in flood mitigation for key personnel.	Gregg	Regulatory and Guidance
22000073	Fannin County Floodplain Manager	Apply for assistance in establishing a Certified Countywide Floodplain Manager position. Funding on the continuation of the position would be from permit fees and local budgets. The focus of this role would be to mitigate flooding and protect the flood	Fannin	Regulatory and Guidance
22000074	City of Sadler Lift Station Flood-Proofing	Raise electrical panels and connections on lift stations above expected flood levels in flood prone areas.	Grayson	Property Acquisition and/or Floodproofing Programs
22000075	City of Miller's Cove outreach	Educational outreach	Titus	Education and Outreach
22000076	City of Winfield NFIP	Participate in NFIP	Titus	Regulatory and Guidance
22000077	Wood County outreach	Educate the public on mitigation strategies for all hazards.	Wood	Education and Outreach
22000078	Wood County land preservation	Acquisition and management strategies of land to preserve open space for flood mitigation and water quality in the floodplain	Wood	Property Acquisition and Structural Elevation

22000079	Upshur County NFIP	The County Hazard Mitigation Officer will assist those cities within the county that are not participating in NFIP to take appropriate actions to qualify for, and maintain participation in NFIP with a goal of having 100% participation within the county	Upshur	Regulatory and Guidance
22000080	Turn Around/Don't Drown	Educate public on Turn Around/Don't Drown program		Public Awareness & Educational Programs
22000081	Flood Safety Awareness Education	Educate public on flood safety		Public Awareness & Educational Programs
22000082	Public NFIP Education	Educate public on the NFIP program and the importance of purchasing flood insurance.		Public Awareness & Educational Programs
