BRIEFING PAPER

ITEM 4:

Review and consider adoption of the ATUT Flexible Benefits Cafeteria Plan for fiscal year 2023.

BACKGROUND:

Section 125 of the Internal Revenue Code of 1986 allows employers to adopt cafeteria plans to offer employees certain benefits on a pre-tax basis. ATUT has chosen to adopt the ATUT Flexible Benefits Cafeteria Plan to continue to offer certain benefits on a pre-tax basis to eligible employees.

DISCUSSION:

Upon adoption, the ATUT Flexible Benefits Cafeteria Plan will allow ATUT to offer additional benefits to employees on a pre-tax basis such as cancer, critical illness, and accident insurances. ATUT remains in compliance with Section 125 of the Internal Revenue Code of 1986 by updating the written plan annually and distributing it to all eligible employees, offering the plan to all eligible employees, and completing nondiscrimination testing on the plan to ensure only those that are eligible are receiving the pre-tax benefit.

RECOMMENDATION:

Staff recommends approval.

If your Health Insurance coverage ceases while you are on FMLA leave (e.g., for non-payment of required contributions), you will be permitted to re-enter such Benefits, as applicable, upon return from such leave on the same basis as when you were participating in the Plan before the leave or as otherwise required by the FMLA. You may be required to have coverage for such Benefits reinstated so long as coverage for Employees on non-FMLA leave is required to be reinstated upon return from leave.

If you are commencing or returning from FMLA leave, then your election for non-health benefits provided under this Plan, if any, will be treated in the same way as under your Employer's policy for providing such Benefits for Participants on a non-FMLA leave (see below). If that policy permits you to discontinue contributions while on leave, then upon returning from leave you will be required to repay the contributions not paid by you during leave. Payment will be withheld from your compensation either on a pre-tax or after-tax basis, as agreed to by the Plan Administrator and you or as the Plan Administrator otherwise deems appropriate.

Non-FMLA Leaves of Absence.

If you go on an unpaid leave of absence that does not affect eligibility, then you will continue to participate and the contribution due from you (if not otherwise paid by your regular salary reductions) will be paid by pre-payment before going on leave, with after-tax contributions while on leave, or with catch-up contributions after the leave ends, as determined by the Plan Administrator. If you go on an unpaid leave that does affect eligibility, then the Change in Status rules will apply.

Premium Payment Benefits

PREM Q-1. What are "Premium Payment Benefits"?

As described in CAF Q-1, if you elect Premium Payment Benefits you will be able to pay for your share of contributions for Insurance Benefits with pre-tax dollars by electing to do so. Because the share of the contributions that you pay will be with pre-tax funds, you may save both federal income taxes and FICA (Social Security) taxes. See Q-4.

PREM Q-2. How are my Premium Payment Benefits paid?

As described in CAF Q-1 and in PREM Q-1, if you select an Insurance Plan described in CAF Q-2, then you may be required to pay a portion of the contributions. When you complete the Election Form/Salary Reduction Agreement, if you elect to pay for benefits on a pre-tax basis you agree to a salary reduction to pay for your share of the cost of coverage (also known as contributions) with pre-tax funds instead of receiving a corresponding amount of your regular pay that would otherwise be subject to taxes. From then on, you must pay a contribution for such coverage by having that portion deducted from each paycheck on a pre-tax basis (generally an equal portion from each paycheck, or an amount otherwise agreed to or as deemed appropriate by the Plan Administrator).

The Employer may contribute all, some, or no portion of the Premium Payment Benefits that you have selected, as described in documents furnished separately to you from time to time.

Miscellaneous

MISC Q-1

COBRA and HIPAA Rights. You have a right to continue your Health Insurance Plan coverage for yourself if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this SPD and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

HIPAA Privacy Rights. Under another provision of HIPAA, group health plans are required to take steps to ensure that certain "protected health information" (PHI) is kept confidential. You may receive a separate notice from the Employer (or medical insurers) that outlines its health privacy policies.

Right to Review. If your claim for a benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Qualified Medical Child Support Order

The Health Insurance Plans will provide benefits as required by any qualified medical child support order (QMCSO), as defined in ERISA § 609(a). The Plan has detailed procedures for determining whether an order qualifies as a QMCSO. Participants and beneficiaries can obtain, without charge, a copy of such procedures from the Plan Administrator.

Newborns' and Mothers' Health Protection Act of 1996

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or to less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Appendix B

COBRA CONTINUATION COVERAGE RIGHTS under the Ark-Tex Urban Transit, Inc. Cafeteria Plan (the "Plan")

The following paragraphs generally explain COBRA coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. PLEASE READ THE FOLLOWING CAREFULLY.

The Ark-Tex Urban Transit, Inc. Cafeteria Plan has group health insurance components and you may be enrolled in one or more of these components. COBRA (and the description of COBRA coverage contained in this SPD) applies only to the group health plan benefits offered under the Plan and not to any other benefits offered under the Plan or by Ark-Tex Urban Transit, Inc.. The Plan provides no greater COBRA rights than what COBRA requires - nothing in this SPD is intended to expand your rights beyond COBRA's requirements.

What Is COBRA Coverage?

COBRA coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed below in the section entitled "Who Is Entitled to Elect COBRA?"

COBRA coverage may become available to "qualified beneficiaries"

After a qualifying event occurs and any required notice of that event is properly provided to Ark-Tex Urban Transit, Inc., COBRA coverage must be offered to each person losing Plan coverage who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries and would be entitled to elect COBRA if coverage under the Plan is lost because of the qualifying event. (Certain newborns, newly adopted children, and alternate recipients under QMCSOs may also be qualified beneficiaries. This is discussed in more detail in separate paragraphs below.)

Who Is Entitled to Elect COBRA?

We use the pronoun "you" in the following paragraphs regarding COBRA to refer to each person covered under the Plan who is or may become a qualified beneficiary.

Qualifying events for the covered employee

If you are an employee, you will be entitled to elect COBRA if you lose your group health coverage under the Plan because either one of the following qualifying events happens:

- your hours of employment are reduced; or
- your employment ends for any reason other than your gross misconduct.

Qualifying events for the covered spouse

If you are the spouse of an employee, you will be entitled to elect COBRA if you lose your group health coverage under the Plan because any of the following qualifying events happens:

- your spouse dies;
- your spouse's hours of employment are reduced;
- your spouse's employment ends for any reason other than his or her gross misconduct;
- you become divorced or legally separated from your spouse. Also, if your spouse (the employee) reduces or eliminates your group health coverage in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the divorce or legal separation may be considered a qualifying event for you even though your coverage was reduced or eliminated before the divorce or separation.

Qualifying events for dependent children

If you are the dependent child of an employee, you will be entitled to elect COBRA if you lose your group health coverage under the Plan because any of the following qualifying events happens:

- your parent-employee dies;
- your parent-employee's hours of employment are reduced;
- your parent-employee's employment ends for any reason other than his or her gross misconduct;

- you stop being eligible for coverage under the Plan as a "dependent child."

Electing COBRA after leave under the Family and Medical Leave Act (FMLA)

Under special rules that apply if an employee does not return to work at the end of an FMLA leave, some individuals may be entitled to elect COBRA even if they were not covered under the Plan during the leave. Contact Ark-Tex Urban Transit, Inc. for more information about these special rules.

Special second election period for certain eligible employees who did not elect COBRA

Certain employees and former employees who are eligible for federal trade adjustment assistance (TAA) or alternative trade adjustment assistance (ATAA) are entitled to a second opportunity to elect COBRA for themselves and certain family members (if they did not already elect COBRA) during a special second election period of 60 days or less (but only if the election is made within six months after Plan coverage is lost).

When Is COBRA Coverage Available?

When the qualifying event is the end of employment, reduction of hours of employment, or death of the employee, the Plan will offer COBRA coverage to qualified beneficiaries. You need not notify Ark-Tex Urban Transit, Inc. of any of these qualifying events.

Caution:

You stop being eligible for coverage as dependent child whenever you fail to satisfy any part of the plan's definition of dependent child.

You must notify the plan administrator of certain qualifying events by this deadline

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), a COBRA election will be available to you only if you notify Ark-Tex Urban Transit, Inc. in writing within 60 days after the later of (1) the date of the qualifying event; or (2) the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the qualifying event.

No COBRA election will be available unless you follow the Plan's notice procedures and meet the notice deadline

In providing this notice, you must use the Plan's form entitled "Notice of Qualifying Event Form" and you must follow the notice procedures specified in the section below entitled "Notice Procedures." If these procedures are not followed or if the notice is not provided to Ark-Tex Urban Transit, Inc. during the 60-day notice period, YOU WILL LOSE YOUR RIGHT TO ELECT COBRA.

How to elect COBRA

To elect COBRA, you must complete the Election Form that is part of the Plan's COBRA election notice and mail or hand-deliver it to Ark-Tex Urban Transit, Inc.. An election notice will be provided to qualified beneficiaries at the time of a qualifying event. You may also obtain a copy of the Election Form from Ark-Tex Urban Transit, Inc..

Deadline for COBRA election

If mailed, your election must be postmarked (or if hand-delivered, your election must be received by the individual at the address specified on the Election Form) no later than 60 days after the date of the COBRA election notice provided to you at the time of your qualifying event (or, if later, 60 days after the date that Plan coverage is lost). IF YOU DO NOT SUBMIT A COMPLETED ELECTION FORM BY THIS DUE DATE, YOU WILL LOSE YOUR RIGHT TO ELECT COBRA.

Independent election rights

Each qualified beneficiary will have an independent right to elect COBRA.

Any qualified beneficiary for whom COBRA is not elected within the 60-day election period specified in the Plan's COBRA election notice WILL LOSE HIS OR HER RIGHT TO ELECT COBRA COVERAGE.

Special Considerations in Deciding Whether to Elect COBRA

In considering whether to elect COBRA, you should take into account that a failure to elect COBRA will affect your future rights under federal law. You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your spouse's employer) within 30 days after your group health coverage under the Plan ends because of one of the qualifying events listed above. You will also have the same special enrollment

right at the end of COBRA coverage if you get COBRA coverage for the maximum time available to you.

Length of COBRA Coverage

COBRA coverage is a temporary continuation of coverage. The COBRA coverage periods described below are maximum coverage periods.

COBRA coverage can end before the end of the maximum coverage period for several reasons, which are described in the section below entitled "Termination of COBRA Coverage Before the End of the Maximum Coverage Period."

Death, divorce, legal separation, or child's loss of dependent status

When Plan coverage is lost due to the death of the employee, the covered employee's divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA coverage under the Plan's Medical and Dental components can last for up to a total of 36 months.

If the covered employee becomes entitled to Medicare within 18 months before his or her termination of employment or reduction of hours.

When Plan coverage is lost due to the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage under the Plan's Medical and Dental components for qualified beneficiaries (other than the employee) who lose coverage as a result of the qualifying event can last until up to 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare eight months before the date on which his employment terminates, COBRA coverage for his spouse and children who lost coverage as a result of his termination can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus eight months). This COBRA coverage period is available only if the covered employee becomes entitled to Medicare within 18 months BEFORE the termination or reduction of hours.

Termination of employment or reduction of hours

Otherwise, when Plan coverage is lost due to the end of employment or reduction of the employee's hours of employment, COBRA coverage under the Plan's Medical and Dental components generally can last for only up to a total of 18 months.

Extension of Maximum Coverage Period

If the qualifying event that resulted in your COBRA election was the covered employee's termination of employment or reduction of hours, an extension of the maximum period of coverage may be available if a qualified beneficiary is disabled or a second qualifying event occurs. You must notify Ark-Tex Urban Transit, Inc. of a disability or a second qualifying event in order to extend the period of COBRA coverage. Failure to provide notice of a disability or second qualifying event will eliminate the right to extend the period of COBRA coverage.

Disability extension of COBRA coverage

If a qualified beneficiary is determined by the Social Security Administration to be disabled and you notify Ark-Tex Urban Transit, Inc. in a timely fashion, all of the qualified beneficiaries in your family may be entitled to receive up to an additional 11 months of COBRA coverage, for a total maximum of 29 months. This extension is available only for qualified beneficiaries who are receiving COBRA coverage because of a qualifying event that was the covered employee's termination of employment or reduction of hours. The disability must have started at some time before the 61st day after the covered employee's termination of employment or reduction of hours and must last at least until the end of the period of COBRA coverage that would be available without the disability extension (generally 18 months, as described above). Each qualified beneficiary will be entitled to the disability extension if one of them qualifies.

You must notify Ark-Tex Urban Transit, Inc. of a qualified beneficiary's disability by this deadline

The disability extension is available only if you notify Ark-Tex Urban Transit, Inc. in writing of the Social Security Administration's determination of disability within 60 days after the latest of:

- the date of the Social Security Administration's disability determination;
- the date of the covered employee's termination of employment or reduction of hours; and
- the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered employee's termination of employment or reduction of hours.

You must also provide this notice within 18 months after the covered employee's termination of employment or reduction of hours in order to be entitled to a disability extension.

No disability extension will be available unless you follow the Plan's notice procedures and meet the notice deadline

In providing this notice, you must use the Plan's form entitled "Notice of Disability Form" and you must follow the notice procedures specified in the section below entitled "Notice Procedures."

If these procedures are not followed or if the notice is not provided to Ark-Tex Urban Transit, Inc. during the 60-day notice period and within 18 months after the covered employee's termination of employment or reduction of hours, then there will be no disability extension of COBRA coverage.

Second qualifying event extension of COBRA coverage

An extension of coverage will be available to spouses and dependent children who are receiving COBRA coverage if a second qualifying event occurs during the 18 months (or, in the case of a disability extension, the 29 months) following the covered employee's termination of employment or reduction of hours. The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months. Such second qualifying events may include the death of a covered employee, divorce or legal separation from the covered employee, or a dependent child's ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the Plan if the first qualifying event had not occurred. (This extension is not available under the Plan when a covered employee becomes entitled to Medicare after his or her termination of employment or reduction of hours.)

You must notify Ark-Tex Urban Transit, Inc. of a second qualifying event by this deadline

This extension due to a second qualifying event is available only if you notify Ark-Tex Urban Transit, Inc. in writing of the second qualifying event within 60 days after the date of the second qualifying event.

No extension will be available unless you follow the Plan's notice procedures and meet the notice deadline

In providing this notice, you must use the Plan's form entitled "Notice of Second Qualifying Event Form" (you may obtain a copy of this form from Ark-Tex Urban Transit, Inc. at no charge), and you must follow the notice procedures specified in the section below entitled "Notice Procedures." If these procedures are not followed or if the notice is not provided to Ark-Tex Urban Transit, Inc. during the 60-day notice period, then there will be no extension of COBRA coverage due to a second qualifying event.

Termination of COBRA Coverage Before the End of the Maximum Coverage Period

COBRA coverage will automatically terminate before the end of the maximum period if:

- any required premium is not paid in full on time;
- a qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing COBRA;
- the employer ceases to provide any group health plan for its employees; or
- during a disability extension period, the disabled qualified beneficiary is determined by the Social Security Administration to be no longer disabled (COBRA coverage for all qualified beneficiaries, not just the disabled qualified beneficiary, will terminate).

COBRA coverage may also be terminated for any reason the Plan would terminate coverage of a participant or beneficiary not receiving COBRA coverage (such as fraud).

You must notify Ark-Tex Urban Transit, Inc. if a qualified beneficiary becomes entitled to Medicare or obtains other group health plan coverage

You must notify Ark-Tex Urban Transit, Inc. in writing within 30 days if, after electing COBRA, a qualified beneficiary becomes entitled to Medicare (Part A, Part B, or both) or becomes covered under other group health plan coverage. In addition, if you were already entitled to Medicare before electing COBRA, notify Employer of the date of your Medicare entitlement at the address shown in the section below entitled "Notice Procedures."

You must notify Ark-Tex Urban Transit, Inc. if a qualified beneficiary ceases to be disabled

If a disabled qualified beneficiary is determined by the Social Security Administration to no longer be disabled, you must notify Ark-Tex Urban Transit, Inc. of that fact within 30 days after the Social Security Administration's determination.

Cost of COBRA Coverage

Each qualified beneficiary is required to pay the entire cost of COBRA coverage. The amount a qualified beneficiary may be required to pay may not exceed 102% (or, in the case of an extension of COBRA coverage due to a disability, 150%) of the

cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving COBRA coverage. The amount of your COBRA premiums may change from time to time during your period of COBRA coverage and will most likely increase over time. You will be notified of COBRA premium changes.

Payment for COBRA Coverage

How premium payments must be made

All COBRA premiums must be paid by check. Your first payment and all monthly payments for COBRA coverage must be mailed or hand-delivered to the individual at the payment address specified in the election notice provided to you at the time of your qualifying event. However, if the Plan notifies you of a new address for payment, you must mail or hand-deliver all payments for COBRA coverage to the individual at the address specified in that notice of a new address.

When premium payments are considered to be made

If mailed, your payment is considered to have been made on the date that it is postmarked. If hand-delivered, your payment is considered to have been made when it is received by the individual at the address specified above. You will not be considered to have made any payment by mailing or hand-delivering a check if your check is returned due to insufficient funds or otherwise.

First payment for COBRA coverage

If you elect COBRA, you do not have to send any payment with the Election Form. However, you must make your first payment for COBRA coverage not later than 45 days after the date of your election. (This is the date your Election Form is postmarked, if mailed, or the date your Election Form is received by the individual at the address specified for delivery of the Election Form, if hand-delivered.) See the section above entitled "Electing COBRA Coverage."

Your first payment must cover the cost of COBRA coverage from the time your coverage under the Plan would have otherwise terminated up through the end of the month before the month in which you make your first payment. (For example, Sue's employment terminates on September 30, and she loses coverage on September 30. Sue elects COBRA on November 15. Her initial premium payment equals the premiums for October and November and is due on or before December 30, the 45th day after the date of her COBRA election.)

You are responsible for making sure that the amount of your first payment is correct. You may contact Ark-Tex Urban Transit, Inc. using the contact information provided below to confirm the correct amount of your first payment. Claims for reimbursement will not be processed and paid until you have elected COBRA and made the first payment for it.

If you do not make your first payment for COBRA coverage in full within 45 days after the date of your election, you will lose all COBRA rights under the Plan.

Monthly payments for COBRA coverage

After you make your first payment for COBRA coverage, you will be required to make monthly payments for each subsequent month of COBRA coverage. The amount due for each month for each qualified beneficiary will be disclosed in the election notice provided to you at the time of your qualifying event. Under the Plan, each of these monthly payments for COBRA coverage is due on the first day of the month for that month's COBRA coverage. If you make a monthly payment on or before the first day of the month to which it applies, your COBRA coverage under the Plan will continue for that month without any break. Ark-Tex Urban Transit, Inc. will not send periodic notices of payments due for these coverage periods (that is, we will not send a bill to you for your COBRA coverage - it is your responsibility to pay your COBRA premiums on time).

Grace periods for monthly COBRA premium payments

Although monthly payments are due on the first day of each month of COBRA coverage, you will be given a grace period of 30 days after the first day of the month to make each monthly payment. Your COBRA coverage will be provided for each month as long as payment for that month is made before the end of the grace period for that payment. However, if you pay a monthly payment later than the first day of the month to which it applies, but before the end of the grace period for the month, your coverage under the Plan will be suspended as of the first day of the month and then retroactively reinstated (going back to the first day of the month) when the monthly payment is received. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated.

If you fail to make a monthly payment before the end of the grace period for that month, you will lose all rights to COBRA coverage under the Plan.

More Information About Individuals Who May Be Qualified Beneficiaries

Children born to or placed for adoption with the covered employee during a period of COBRA coverage

A child born to, adopted by, or placed for adoption with a covered employee during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if the covered employee is a qualified beneficiary, the covered employee has elected COBRA coverage for himself or herself. The child's COBRA coverage begins when the child is enrolled in the Plan, whether through special enrollment or open enrollment, and it lasts for as long as COBRA coverage lasts for other family members of the employee. To be enrolled in the Plan, the child must satisfy the otherwise applicable Plan eligibility requirements (for example, regarding age).

Alternate recipients under QMCSOs

A child of the covered employee who is receiving benefits under the Plan pursuant to a qualified medical child support order (QMCSO) received by Ark-Tex Urban Transit, Inc. during the covered employee's period of employment with Ark-Tex Urban Transit, Inc. is entitled to the same rights to elect COBRA as an eligible dependent child of the covered employee.

NOTICE PROCEDURES Ark-Tex Urban Transit, Inc. Welfare Benefits Plan (the Plan)
