Advanced understanding and experience in this type of project as described in the scope of work as well as experience in adhering to a strict schedule	40
Relevant qualifications and experience in the Texas market	10
Experience working with United States Department of Agriculture, Texas Department of Agriculture, Economic Development Administration, and/or other government entities and with local providers	10
Demonstrated knowledge of broadband development in rural areas	20
Demonstrated expertise in government funding and in public-private partnerships.	20
Total Points	100

NOTICE TO SUBMITTERS:

This addendum will be considered a part of the RFQ documents for the above referenced project as though it had been issued at the same time and incorporated integrally therewith. Where provisions of scope of work differ from those in the original RFQ documents, this Addendum shall govern and take precedence.

Submitters are hereby notified that they shall make any necessary adjustments in their statements on account of this Addendum. It will be construed that such statement is submitted with full knowledge of all modifications and supplementary data specified herein. Each submitter is required to acknowledge receipt of this addendum. Please contact Mary Beth Rudel with any questions. mrudel@atcog.org or 903-255-3520
