

TABLE 12 - List of Potential FME's

FME ID	FME Name	Description	Counties	Study Type	Sponsor
21000001	Cooke County FIS	Update County maps to Zone AE	Cooke	Watershed Planning	Cooke County
21000002	Grayson County FIS	Update remainder of county to Zone AE	Grayson	Watershed Planning	Grayson County
21000003	Fannin County FIS	Update County maps to Zone AE	Fannin	Watershed Planning	Fannin County
21000004	Hunt County FIS	Update County maps to Zone AE	Hunt	Watershed Planning	Hunt County
21000005	Lamar County FIS	Update County maps to Zone AE	Lamar	Watershed Planning	Lamar County
21000006	Delta County FIS	Develop FIS for the County	Delta	Watershed Planning	Delta County
21000007	Hopkins County FIS	Update County maps to Zone AE	Hopkins	Watershed Planning	Hopkins County
21000008	Red River County FIS	Develop FIS for the County	Red	Watershed Planning	Red County
21000009	Franklin County FIS	Develop FIS for the County	Franklin	Watershed Planning	Franklin County
21000010	Titus County FIS	Update County maps to Zone AE	Titus	Watershed Planning	Titus County
21000011	Camp County FIS	Develop FIS for the County	Camp	Watershed Planning	Camp County
21000012	Wood County FIS	Update County maps to Zone AE	Wood	Watershed Planning	Wood County
21000013	Upshur County FIS	Update County maps to Zone AE	Upshur	Watershed Planning	Upshur County
21000014	Gregg County FIS	Update County maps to Zone AE	Gregg	Watershed Planning	Gregg County
21000015	Harrison County FIS	Update County maps to Zone AE	Harrison	Watershed Planning	Harrison County
21000016	Marion County FIS	Develop FIS for the County	Marion	Watershed Planning	Marion County
21000017	Cass County FIS	Update County maps to Zone AE	Cass	Watershed Planning	Cass County
21000018	Bowie County FIS	Update County maps to Zone AE	Bowie	Watershed Planning	Bowie County
21000019	Morris County FIS	Update County maps to Zone AE	Morris	Watershed Planning	Morris County
21000020	Sulphur River Log jams	Log and debris jams along Sulphur River near Highway 37 and 24	Franklin	Preparedness	Franklin County
21000021	City of Clarksville Delaware Creek	Debris, Vegetation Removal, and Channelization	Red River	Preparedness	City of Clarksville
21000022	New Boston Unnamed Stream 1	Debris, Vegetation Removal, and Channelization	Bowie	Preparedness	City of New Boston
21000023	New Boston Unnamed Stream 2	Debris, Vegetation Removal, and Channelization	Bowie	Preparedness	City of New Boston
21000024	Nash Unnamed Stream 1	Debris, Vegetation Removal, and Channelization	Bowie	Preparedness	Bowie County
21000025	Nash Unnamed Stream 2	Debris, Vegetation Removal, and Channelization	Bowie	Preparedness	Bowie County
21000026	Anderson Creek WWTP	WWTP impacted by flooding from Anderson Creek	Bowie	Project Planning	Bowie County
21000027	De Kalb Stormwater Drainage	City wide storm drain study	Bowie	Watershed Planning	City of DeKalb
21000028	De Kalb Stormwater Rate Study	City wide storm water rate study	Bowie	Watershed Planning	City of DeKalb
21000029	De Kalb Flood Control Levee System	Flood control levee system to reduce flood risk for De Kalb and surrounding entities along Red River	Bowie	Project Planning	City of DeKalb
21000030	City of Hooks Infrastructure	Widen ditches to increase volume capacity of flash flood waters	Bowie	Project Planning	City of Hooks
21000031	Upshur County Drainage	Raise elevations and improve drainage for certain roads and streets.	Upshur	Project Planning	Upshur County
21000032	Cowhorn Creek East	Extend current study to upstream detention pond	Bowie	Watershed Planning	City of Texarkana
21000033	Wadley Hospital	Storm drain near hospital likely undersized	Bowie	Project Planning	City of Texarkana
21000034	Urban Flooding at 19th and Wood Street	Houses flood 4-5 times per year	Bowie	Project Planning	City of Texarkana
21000035	Cowhorn West Creek	Arroyo Street additional modeling to address flooding	Bowie	Watershed Planning	City of Texarkana
21000036	Cowhorn Creek	Creek crosses interstate near St. Michaels and existing flooding risk upstream of interstate	Bowie	Watershed Planning	City of Texarkana
21000037	Stream WC-1	Street flooding near McKnight and Jonathan Street	Bowie	Project Planning	City of Texarkana
21000038	Buyout	Prepare a strategy and support pgm for voluntary purchase of at risk properties	Bowie	Other	Bowie County
21000039	City of Atlanta High School Lane Project/Phase No. 2	Perform channel improvements between Hwy 77 & Main St	Cass	Other	City of Atlanta
21000040	City of Atlanta Eleanor St and Red Bluff St. Project/Phase No. 3	Replace culvert crossings	Cass	Other	City of Atlanta
21000041	City of Atlanta Park View St and Jefferson St. Project/Phase No. 4	Install culvert crossing	Cass	Other	City of Atlanta
21000042	City of Paris Big Sandy Cr Tribs 4 and 6 Improvements Phase 1	Re-grade channel downstream of Clarksville Ave. and establish concrete channel upstream of Clarksville Ave.	Lamar	Other	City of Paris
21000043	City of Paris Big Sandy Cr Tribs 4 and 6 Improvements Phase 2	Channel improvements in the upper portion of Tributary 4	Lamar	Other	City of Paris
21000044	City of Paris Big Sandy Cr Tribs 4 and 6 Improvements Phase 3	Tributary 6 channel improvements and culvert replacement	Lamar	Other	City of Paris
21000045	City of Paris Compr. Plan Project 1	City of Paris Compr. Plan Project 1	Lamar	Other	City of Paris
21000046	City of Paris Compr. Plan Project 2	City of Paris Compr. Plan Project 2	Lamar	Other	City of Paris
21000047	City of Paris Compr. Plan Project 3	City of Paris Compr. Plan Project 3	Lamar	Other	City of Paris
21000048	City of Paris Compr. Plan Project 4	City of Paris Compr. Plan Project 4	Lamar	Other	City of Paris
21000049	City of Paris Compr. Plan Project 5	City of Paris Compr. Plan Project 5	Lamar	Other	City of Paris
21000050	City of Paris Compr. Plan Project 6	City of Paris Compr. Plan Project 6	Lamar	Other	City of Paris
21000051	City of Paris Compr. Plan Project 7	City of Paris Compr. Plan Project 7	Lamar	Other	City of Paris
21000052	City of Paris Compr. Plan Project 8	City of Paris Compr. Plan Project 8	Lamar	Other	City of Paris
21000053	City of Paris Compr. Plan Project 9	City of Paris Compr. Plan Project 9	Lamar	Other	City of Paris
21000054	City of Ector Property Buyout	Acquire flood prone properties for use as park areas.	Fannin	Other	City of Ector
21000055	City of Longview Property Buyout	Purchase properties in floodplain areas to reserve them from development	Gregg	Other	City of Longview
21000056	Cooke County Acquisition of Repetitive Loss and Damaged Properties	Purchase and removal of damaged homes that are located in the floodplain. These homes are currently a hazard to the community and pose even large threat of danger if a large rain event were to happen before removal (NFIP). Buyout of repetitive flood loss	Cooke	Other	Cooke County

21000057	Grayson County Buyout of Repetitive Flood Properties	Work with local jurisdiction in the buyout of repetitive flood properties. This includes any structures found to be located in flood areas that are in incorporated and unincorporated areas.	Grayson	Other	Grayson County
21000058	Harrison County Property Acquisition	Acquisition and management strategies of land to preserve open space for flood mitigation and water quality in the floodplain.	Harrison	Other	Harrison County
21000059	Marion County barriers	Install low water crossing barriers, similar to railroad crossing barriers.	Marion	Preparedness	Marion County
21000060	City of Texarkana gauges	Install depth gauges and radio-controlled guard arms at three flood-prone underpasses and warning lights and "Do Not Enter" sign at flood-prone residential intersection.	Bowie	Preparedness	City of Texarkana
21000061	City of Texarkana buy-outs	Partial buy-out of Harriet Hubbard Heights Subdivision and replacement with low-impact recreational area for use by general public. Priority: Original HMP – High	Bowie	Other	City of Texarkana
