# Ebb Family

# Models

## Swell

## Roll

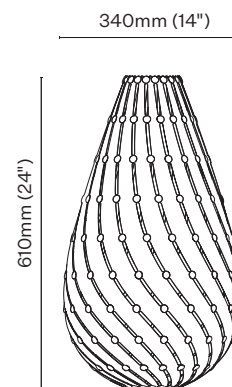

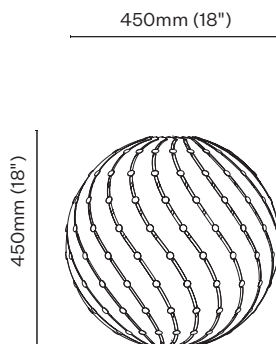

Primary Material Bamboo plywood 580mm (23") x 250mm  
Dimensions (10")  
Fixture Weight 0.5kg (1lb)  
Lamp Required E27/26  
Package Dimensions 812mm (32") x 242mm (9") x 45mm (2")  
Package Weight 4.5kg (10lb)

Primary Material Bamboo plywood  
Dimensions 750mm (30") x 280mm (11")  
Fixture Weight 0.5kg (1lb)  
Lamp Required E27/26  
Package Dimensions 812mm (32") x 242mm (9") x 45mm (2")  
Package Weight 4.5kg (10lb)

## Bounce

## Drop

Primary Material Bamboo plywood  
Dimensions 450mm (18") x 450mm (18")  
Fixture Weight 0.5kg (1lb)  
Lamp Required E27/26  
Package Dimensions 812mm (32") x 242mm (9") x 45mm (2")  
Package Weight 4.5kg (10lb)

Primary Material Bamboo plywood  
Dimensions 610mm (24") x 340m (14")  
Fixture Weight 0.5kg (1lb)  
Lamp Required E27/26  
Package Dimensions 812mm (32") x 242mm (9") x 45mm (2")  
Package Weight 4.5kg (10lb)

# Story

Ebb lights were first launched as fully assembled lamps made from plastic and wood components. In 2015 they were redesigned as kitset which reduced the effects of shipping. Now the Ebb family of Swell, Bounce, Roll and Drop are made from Birch plywood. A much more sustainable feature pendant light. Which can be made easily at home by you! Ebbs patterns are inspired by the lines of water.

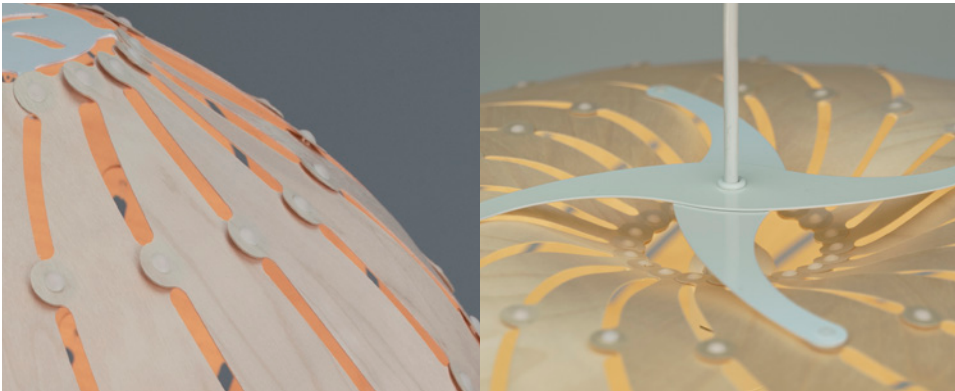

# Visualisations

# Structure

Ebb lights are made from a high quality Birch plywood from Finland. The light is clipped together with nylon clips and comes supplied with a white E27/26 cordset.

The image features a dark, moody landscape photograph of rolling hills. The foreground and middle ground are in deep shadow, showing dense green forest. A prominent ridge in the background is illuminated by a golden light, likely from a low sun, creating a strong contrast with the dark sky and the shadowed slopes. The sky is a deep, dark grey with some lighter, wispy clouds near the horizon.
