The art of Vincent Van Gogh, the greatest impressionist painter of all time, meets the quality of craftsmanship and Made in Italy.

All the lamps are designed and made in Italy by expert artisan hands and master glass blowers.

The small imperfections that can be found on the surfaces of the decorations are peculiarities that attest the uniqueness of the product and the diversity of each product from the other and are therefore to be considered a reason of value, like the signature of a great artist.

L'arte di Vincent Van Gogh, il più grande pittore impressionista di tutti i tempi, incontra la qualità dell'artigianato e del Made in Italy.

Tutte le lampade sono infatti progettate e realizzate in Italia da mani artigiane esperte e da maestri soffiatori.

Le piccole imperfezioni che si riscontrano sulle superfici delle decorazioni sono peculiarità che attestano l'unicità del prodotto e la diversità di ogni prodotto rispetto all'altro e sono quindi da considerarsi motivo di valore aggiunto, proprio come la firma di un grande artista.

Almond Blossom Mandorlo in fiore

Large blossom branches like this against a blue sky were one of Van Gogh's favourite subjects. Almond trees flower early in the spring making them a symbol of new life. Van Gogh borrowed the subject, the bold outlines and the positioning of the tree in the picture plane from Japanese printmaking.

The painting was a gift for his brother Theo and sister-in-law Jo, who had just had a baby son, Vincent Willem. In the letter announcing the new arrival, Theo wrote: 'As we told you, we'll name him after you, and I'm making the wish that he may be as determined and as courageous as you.' Unsurprisingly, it was this work that remained closest to the hearts of the Van Gogh family. Vincent Willem went on to found the Van Gogh Museum.

I grandi rami in fiore come questo contro un cielo blu erano uno dei soggetti preferiti di Van Gogh. I mandorli fioriscono all'inizio della primavera e sono un simbolo di nuova vita. Van Gogh ha preso in prestito il soggetto, i contorni audaci e la posizione dell'albero nel piano delle immagini dalla tipografia giapponese.

Il dipinto fu un regalo per il fratello Theo e la cognata Jo, che avevano appena avuto un figlio, Vincent Willem. Nella lettera che annunciava il nuovo arrivo, Theo scriveva: "Come vi abbiamo detto, lo chiameremo come voi, e gli auguro di essere determinato e coraggioso come voi". Non sorprende che sia stato questo lavoro a rimanere più vicino al cuore della famiglia Van Gogh. Vincent Willem fondò poi il Museo Van Gogh.
