WORLD WAR II - FROM ABC TO XYZ

Create a visual representation of the Second World War using the alphabet.

Using a large size poster board(s) or a computer based (powerpoint, glogster, prezi, as well as original video and/or etc.) presentation, the project will include small written portions as part of the presentation. For excellence make sure your project includes the things listed, as well as historical accuracy, grammar, neatness and creativity. Additional facts and information can be added for additional points.

Stick with an artistic style once selected (i.e. if you draw something draw everything or if you use computer-generated images use that, or if you use pictures from the Internet or clipped from magazines stick with it).

Take the 26 letters in the English language and create a visual reference of people, places, and events of the Second World War (1939-1945).

Each letter should include:
- ☐ the letter
- ☐ an image
- ☐ the word/term/name representing the letter
- ☐ a sentence using the term appropriately in the era

The following must be included:
- ☐ 5 people
- ☐ 5 battles
- ☐ 5 events
- ☐ 3 cities
- ☐ 8 miscellaneous (combination of the above or other)
- ☐ 26 references from World War 2 total
- ☐ project title
