

AVK Partners LLC (“AVKP”) recognizes that our relationships with current and prospective clients are based on integrity and trust. We work hard to maintain your privacy and to preserve the private nature of our relationship with you. We place the highest value on the information you share with us. AVKP will not disclose your personal information to anyone unless it is required by law or at your direction. We will not sell your personal information.

We want our clients to understand what information we collect, how we use it, and how we protect their personal information.

### Why We Collect Your Information

We gather information about you so that we can:

- Help design and implement the investment and planning related services we provide you; and
- Comply with the Federal and State laws and regulations that govern us.

### What Information We Collect and Maintain

We may collect the following types of “nonpublic personal information” about you:

- Information from our initial meeting or subsequent consultations about your identity, such as your name, address, social security number, date of birth, and financial information.
- Information that we generate to service your financial needs.
- Information that we may receive from third parties with respect to your financial profile.

### What Information We Disclose

We are permitted by law to disclose nonpublic information about you to unaffiliated third parties in certain circumstances. AVKP may disclose the client's information: (1) to individuals and/or entities not affiliated with AVKP, including, but not limited to certain service providers (i.e., broker-dealer, sub-advisers, account custodian, record keeper, etc.) in furtherance of the client's engagement with AVKP to service your account; (2) to your authorized representative or power of attorney; or (3) otherwise permitted to do so in accordance with the parameters of applicable federal and/or state privacy regulations.

Since AVKP shares nonpublic information solely to service client accounts, the firm does not disclose any nonpublic personal information about the firm’s customers or former customers to anyone, except as permitted by law. In the event that the firm has a change to its client privacy policy that would allow it to disclose non-public information not covered under applicable law, the firm will allow its clients the opportunity to opt out of such disclosure.

### How We Protect Your Personal Information

Privacy has always been important to AVKP. We restrict and limit access to client information only to those who need it to carry out their business functions. We safeguard client information by preventing its unauthorized access, disclosure, or use. We maintain physical, electronic, and procedural safeguards to protect your confidential personal information. Arrangements with companies or independent contractors not affiliated with AVKP will be subject to confidentiality agreements.

### Former Clients

Even if we cease to provide you with financial services, our Privacy Policy will continue to apply to you, and we will continue to treat your nonpublic information with strict confidentiality.
