Arranging Parties and Meetings

Luxe Travel can work directly with Carnival's Event Planning Department to assist guests (**booked** as a **group** or individually) to arrange private events such as cocktail parties or organize meetings and seminars.

All parties with a minimum of twenty guests and full deposits will be accommodated first, *space permitting*.

For information and to arrange for a private event, contact us to discuss.

- The **group** and/or individual guests requesting space for a party must purchase one of our party packages for a minimum of twenty guests (or more), even if the **group** falls under the twenty guest minimum*.
- The party will be based on lounge availability and cannot conflict with our cruise elegant evenings, dinner time or embarkation day.
- For meetings and seminars, we will only provide equipment that is currently onboard the vessel. The equipment is complimentary, subject to availability and provided first to those **booked** through Carnival's **Group** Department.
- Some amenities such as technicians, entertainment, photo or video services are available at additional cost.
- For party requests (for less than twenty guests), we will try to accommodate the **group** if space permits and guests will be required to purchase a party package for a minimum of twenty guests.
