Location: 1132 Old Fort Rd, Fairview, NC 28730. A small town in western NC, conveniently nestled near Asheville and Black Mountain, NC.

Skills to be taught: Using square rule layout, Jim and Dan will teach the basic mortise and tenon joinery, brace pockets, peg hole draw boring, and fit-up testing and raising principles. We'll chat about sharpening. There is a sawmill on site and a shave horse for making pegs! As a bonus, Jim will throw in all his timber framing stories for free!

Lodging: We try our best to work with our local lodging partners to make your stay as inexpensive as possible. Asheville is a destination city, so rates vary, depending on the time of year

Cost: 6-day Timber frame class: \$960. \$160 deposit holds your spot, with the balance due 1 week prior to the start of the class, In this case, April 15th, 2024.

The project: The project for this workshop is yet to be determined, but rest assured, it'll be cool!

Class size: There is room for 12 students in this workshop.

More stuff: Daily lunch will be provided. Please let us know of any food allergies and/or preferences.

Contact info: If you have questions about logistics, lodging, food, etc., feel free to email, text, or call: Dan Flinn at imintotrees@gmail.com 828-243-4320. Please send Jim questions concerning the class itself. Jim Rogers: jrsawmill@verizon.net.
