Letter from the Curator

Dear Art Enthusiasts,

Welcome to the inaugural catalog of [Your Company Name]!

It is with immense joy and pride that we present to you the official catalog of BEYOND HER — a powerful celebration of womanhood through the eyes of art. This collection features the extraordinary works of the finalists of our global art competition, each piece resonating with the strength, spirit, struggles, and stories of women from diverse walks of life. In this catalog, you will 5 distinct categories, each featuring a juried selection of artworks that highlight different styles, themes, and mediums.

The Beyond HER initiative was born out of a desire to amplify female voices. As you flip through these pages, you'll discover how art can transcend boundaries and bring powerful narratives to life. We extend our heartfelt gratitude to all the artists who participated, the jury members for their valuable insights, and our partners who helped bring this vision to fruition.

Thank you for joining us on this journey through creativity and imagination. We invite you to visit our website, experience these works at the virtual art exhibition, and take home a piece of art that speaks to you.

Warm regards,
Jesno Jackson
