

# Costumes and Gala

Throughout your adventure, you are encouraged to don your galactic best. As you will become a unique character in the *Star Wars* galaxy, we invite you to dress the part.

If your wardrobe is currently limited to a single planet, *Star Wars* galaxy apparel is available in-advance from shopDisney or on the starcruiser.

How will you come dressed? In your Jedi best? Ready to rumble for rough and tumble smuggling? Dressed to impress in your Coruscant best? Or in your most comfortable garb from your home planet? The choice is up to you!

But whatever planet's clothes you choose to wear, be sure to save your very finest for the traditional end-of-voyage gala celebration!
