SUMMARY

Obtain a work for off site compositor.

Qualifications

I've been working in film / video visual effects since 1997. I've worked on various film projects including GI Joe, Minority Report and Day After Tomorrow. Also I have worked tighter schedules that include TV / commercials and videos. Such as The Flash, Supergirl, Sleepy Hollow. I know After Effects, Digital Fusion, Mocha, and Nuke. I have a little Maya knowledge also.
