

Peace Retreat

La Paz, BCS Mexico

Where: La Paz MX, a beautiful and secluded bay city on the southern tip of the Baja Peninsula. La Paz means Peace in Spanish.

When: February 2021 (How about self love this valentines)

What: Spend one week working on balancing your chakras with Reiki masters and Yogis as well as create lasting peace for yourself through some of the same methods used when Shyfting!

Why: La Paz is where Shyft House was born! We believe that showing people the same transformative experience will lead to similar personal and spiritual growth!
