WE WILL BUILD YOUR SUCCESS PROFESSIONALLY.

DON'T WORRY, WOLFEGY FINDS YOU THE LEADERS OF TOMORROW.

Our mission and vision

Mision

We partner with our customers to provide HR products and services tailored to tackle their daily challenges and business needs.

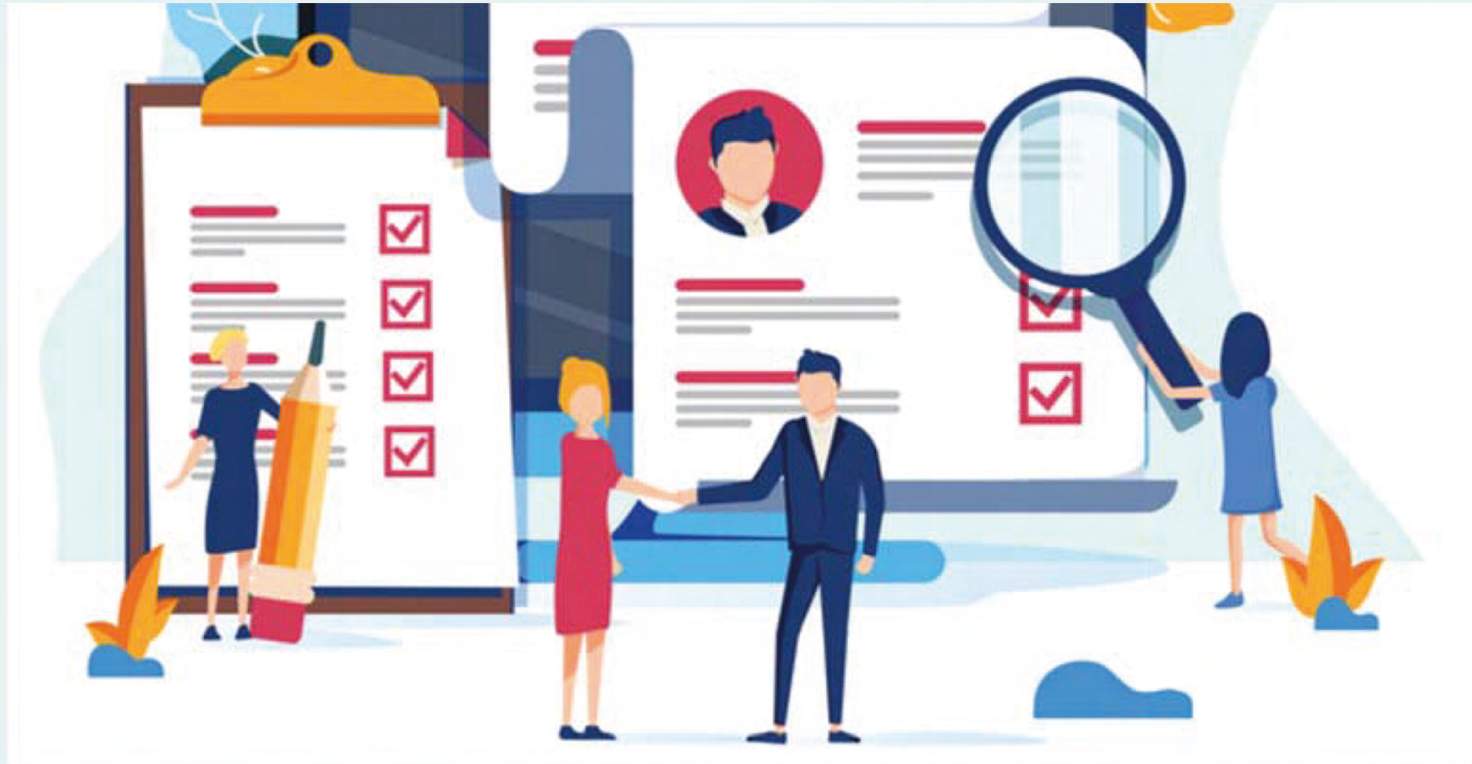

We are committed to develop business partnerships that are rewarding to our customers and employees

Vision

To provide our customers with HR Solutions that facilitates their daily life and improves their business results.

Services

Recruitment

Selection has always been the hardest part of the hiring process, we work with our clients on a success basis to reach a satisfactory recruitment process, starting from receiving the employment request, advertising, collection of CVs from candidates, first screening, interviewing and selection of the best caliber, and ending by submitting a short list of the qualified potential candidates for vacant positions.

Services

Training

Our training center offers training courses to individuals according to our yearly training calendar as well as group customized trainings for organizations. The Training Center offers training in the areas of Management, Human Resources, Quality, Operations, Finance, Soft Skills, Marketing, Sales, Logistics, and other specialized topics. In addition the Center also offers the most up to date sessions in Labour Law, Social Insurance Law, Salaries Tax Law and Value Added Tax Law.
