

# Ask yourself these 8 questions before you move job

- Will I be part of a business that only value money?
- Are my personal values aligned with that of the firm?
- Will my new business show me loyalty when markets turn?
- Will I have career development opportunities, or will more expensive new resources be hired over the top of me?
- Will I enjoy working with the people that currently work at this firm?
- Is this firms model sustainable and will my new job still be there in 2 years?
- What pleasures will I derive from additional income?
- Why do I think I will be happier in the new job?
