APPLICATION FOR APPROVAL OF EXTERIOR PAINT FINISHES

ARTICLE II 7) of the DECLARATION OF WILDLIFE MEADOWS states as follows: "All exterior finishes shall be solid color and in earth tone colors. Trim paint shall be a different color than the siding/walls. A paint sample shall be submitted to the ACC."

1. You must attach a paint sample (often called a "paint chip") to this application for EACH color of paint you apply.
2. Please note that this application and approval is required for all colors for all exterior surfaces to be painted as an initial painting or a repainting of any structure on your property.
3. You are strongly advised not to purchase paint or begin any paint application activities until you receive official written approval of color(s) (by signature of Chairperson on this form).
