Additional Comment:

Smaller brewery located on street of shops and restaurants. I think it used to be a small firehouse. They had a big "garage" style door in the front opened with tables inside and outside. The beers were okay. Our favorite was Peach Crumb Cake a Pale Ale

Additional Comment:

The beers at Zed's were okay. If you like bright, full of energy breweries, you'll like Zed's. The outdoor area was semi-private which was nice. Our favorite beer was In the Backyard a Copper Cream Ale.
