**GTNC understands that our actions impact the environment! By looking for greener products when you shop you will be joining millions of Americans in helping human health and the environment.**

## Services Agreement:

The company shall provide such services to the client for rental via rental management or direct purchase via website [Greenthenewclean.com](http://Greenthenewclean.com). The company shall provide renters with lease terms of 6 - 12 months. The company requires all renters to submit a onetime deposit upon receiving products. Deposits: The company states that deposits will be returned to residents when property is returned to the company in condition which it was rented. If in any case the property is damaged the deposit is then forfeited to fix any repairs to property. Warranty: The company will provide warranty to RENTERS only upon request and MUST be acquired during time of lease finalization. This service covers minor repairs only!
