

"GRANITE OF THE YEAR" . . .

WE SALUTE

ANDREW NAPOLITANO

Tonight we are happy to honor a man for his leadership, loyalty and wisdom and his ability to react wisely under pressure - symbolic of all great quarterbacks.

Andy Nap has been an immeasurable contributor to the Granites on the gridiron as well as all other areas of Granite activity.

Nappi has been the motivator for many of our endeavors, both as past president and as an active club member.

So, Congratulations Andy! We are proud of you!

THANKS

For thirty years, the Granite Athletic Club has dedicated its time, money and effort in promoting sports for the youth of the community. It is our sincere hope to continue to guide and support our youth on Staten Island.

We wish to thank the subscribers to this journal and all the people here tonight for their support.

Sincerely,
THE GRANITE A.C.
