

WE HONOR

JOE TURTURRO

*"THE GRANITE OF THE YEAR 1989"*

Through the many years of our existence, the Granite A.C. has been blessed with a membership truly dedicated to our cause, which is to support and encourage the youth of Staten Island in sports.

We have been faithful to that commitment, by our out-of-pocket contributions and our fund-raising activities. Joe Turturro, by far, has consistently been a leader in all of our fund-raising events and, of course, he has been a dependable and energetic worker at all of our affairs, especially the Picnic. He's a friendly, mild-mannered fellow, always smiling.

So, we want to thank you, Joe, for all you have done for the Granites, and we wish to extend our heartiest hope to you and your lovely wife, Rose, for many years of Health and Happiness.

THANKS....

For over fifty years, the Granite Athletic Club has dedicated its time, money and effort in promoting sports activities for the community. It is our sincere hope to continue to guide and support our Athletes on Staten Island.

We wish to thank all the subscribers to this journal and all our friends for their continuing support of our sports programs.

Sincerely  
THE  
GRANITE  
A.C.
