

Simba Group sarl

A Division of Simba Group Sarl

COMPANY PROFILE 2023

Introduction

Simba Group is 100% wholly owned subsidiary of Simba Group SARL incorporated in Congo DRC. The subsidiary was created specifically to deal with the supply demand industry in Congo DRC as a direct spin off from our transportation core business.

Simba Group was established in 2008 as a service-related company, as a venture between various partners within Transport namely Trucking and Bus industry, as well as incorporating Trucks and equipment of Rabs Zambia. In addition, due to the growing environment and specialized needs in Congo DRC and Surrounding countries of our clients; it became necessary to broaden the services that could be provided by Simba Trading and Simba Transportation, so as to offer service and equipment within the various sectors namely the Mining, safety sector and Supply industry.

Using the core experiences amongst the directors and partners combined 28 years within the transportation and service-related industry we have been able to secure lucrative deals with our clients

We believe in a hands-on approach on all projects. That is why a Director of the firm will always be in control of the key functions on our projects. We are equipped with the latest technology and tools to attend to all our equipment on or offsite and has the necessary staff and resources to ensure the best professional service is provided at all times.

Vision

Our vision is to grow our core business line and to be a force to be reckoned with and ensuring top quality services to our clients. Whether it is a small or big project our aim is to provide high standards throughout.

Mission Statement

Our Mission is to offer excellent service in each of our professional disciplines, in accordance within our business practices, codes of conduct and integrity, thereby developing our team and providing a leading platform from which to service the Congo and Southern Africa environment and our valued Clients.
