

Great addition to our event.

Bob really set the mood and tone fit the event. He worked seamlessly with the agenda and even provided background music while we did other activities. I would recommend Bob for Jazz everyone loved his set list.

Bob made our party great !

You can't beat live entertainment! Bob delivered big time! Great friendly guy....just down to earth! Our party was on the back patio & while we had a smaller area for him he fit perfect as the one man band! This was a great party of about 80 people who all had nothing but great comments about Bob! Thank

Very Entertaining and Professional

Bob was very delightful to deal with. He arrived well before the event to get the lay of the land and setup for his performance. He arrived for our Irish Dinner/Dance on time. The first hour was background music during dinner, 2nd and 3rd hour was the main event. His selection of music was spot on for our seniors and got a few involved with dancing and singing along. He was well liked and we will hire Bob again.

Add Some "Life" to the party!

My wife and I wanted to have some live music for a house party we throw for our friends in and visiting the desert.

I turned to GigSalad and found "Guitar Bob" and we were not disappointed. He was outstanding entertaining our guests and they all marveled how well he performed on guitar and how fun he was. As a musician myself, it is sometimes hard to find an accomplished musician and someone with a fun and inviting personality. Bob has it all. He can play and sing anything and would be great for all age groups. Next time we need music, Guitar Bob gets the Gig!

Outstanding! Pechanga Casino

Bob is the ultimate entertainer! I had about 30 people at my party and all of them personally came to me and express their satisfaction in reference to Bob. Bob knows how to work the crowd and keep the party alive. Bob thanks a million and will see you next year!
