LINCOLN DAY DINNER RECAP

The Lake County Republican Party held their annual Lincoln Day Dinner on March 18, 2023. It was quite the celebration! Republicans from across the County and the State joined in on the fun. Our new Lake County Chairman, Randy Niemeyer, gave a speech drilling home the point that Ronald Reagan was clear... The Republican Party is the Party of the "Big Tent" and there is enough room for all Republicans! There was a video presentation that can be found at [THIS LINK](#) from the Lincoln Day Dinner. It was a bit of an early April Fools Day Prank on the crowd and they seemed to really enjoy it.

Indiana Lt. Governor, Suzanne Crouch, was the Keynote speaker for the event. The Lt. Governor gave a speech about her personal history as well as her plans for Indiana, as she is running for Governor in 2024.

There was a very successful Silent Auction at the event as well. If you haven't seen some of the incredible items that were auctioned off, you really should take a look! They can be found [HERE](#).

At the same link above, you can see the rest of the photos from the night. There was a photobooth and if you look closely, you might just see Honest Abe's Top Hat in a few of the pictures! You can also find all the Elephant Award Winners, the Chairman Award Winner, the Lt. Gov. Award Winner, and the Republican of the Year Award Winner.

Thank you to the people that made the night such a success! It was an event that will surely be a favorite Lincoln Day Dinner for some!
