some recommendations, which we will review and we will schedule an online meeting in the upcoming weeks. Tim J. highlighted that we have the support of his Eminence and Steve Tibbs will help us with the process.

2. Peter A. said that we need more members of the PC to attend our meetings. At the moment Bill A. is the only person of the PC who regularly attends the meetings. Peter A. said that Steve Stratigouleas would be a great choice because he is the PC Vice President and member of the Building Committee. Everyone were very supportive to this idea. Peter A. talked with him in person and Steve Stratigouleas is not opposed to the idea of joining the meetings. Tim J. said that Mark Cutler could be a great addition to our team.
3. Efie S. has started working on the February bulletin and she would like to share the news of the Capital Campaign Committee. Andy T. suggested to write about our communication with His Eminence and the fact we have his support. He also suggested to mention Steve Tibbs who is going to support us and guide us through the process. Efie S. with Peter A. will work on the text and will share it with the Capital Campaign Committee by the end of the week for approval.
4. Bill A. shared that he was thinking of ways to open the sphere of influence for future events. He thinks that a database with all the Greek Orthodox in Arizona would be a great help in the future, especially for fundraiser events.
