

We are so appreciative of the creativity, dedication, and energy interns bring into our space. If you or someone you know is looking for internships for upcoming semesters, please keep us in mind. As a nonprofit agency focused on holistic healing, we are able to support internships focusing on:

- administrative
- youth programming
- fundraising/grant writing
- mental health
- data collection
- housing

Looking for a different focus area? Please reach out to our staff at info@peopleofprogression.org to have a conversation about your interests.

We hope to hear from you soon.
