You will receive a **NOTIFICATION** of the acceptance or denial of your child attending CCA as the 5th step out of the 6 step process. At the conclusion of the interview in step 4, the admissions committee will meet and determine the eligibility of your student. You will be notified as soon as possible if your application has been accepted. (Note: This notification of acceptance does not officially enroll your child. Your child is not enrolled or placed on the waiting list until step 6 is complete.)
