Once all the application documents and fees have been received by CCA you will be contacted to set up a **TEST** time. Although a written test is not required for your PRE-K student, there is a list of prerequisites that must be met for your PRE-K student to attend CCA. (Note: This is not a daycare setting; it is a school with a rigorous academic curriculum) For Pre-K students we will meet with you and the student to review the prerequisite list.
