The logo consists of the words "bond" and "& key" stacked vertically. The word "bond" is in a large, black, serif font. A small registered trademark symbol (®) is positioned at the top right of the word. The letter "o" in "bond" is replaced by a circular emblem containing the words "real estate artistry" in a smaller, black, cursive script. The word "& key" is positioned below "bond" and is also in a black, serif font, with the ampersand and "key" sharing a common baseline.

Bond & Key®

Bond&Key is a market leader in offering property consultancy services with experience in asset valuation, real estate investment advisory and a large portfolio of projects for management. Acquiring an extensive database on a wide range of properties in Egypt. It is the access to such a unique Property database that enables regent to analyze market and technological conditions and changes with a high degree Of precision.

The icon, says it all. Our company's icon is focused on two characters of our company's name which is the O&K letters along with our slogan as the core. We chose the key shape to represent our field and at the same time, to reflect the projects we have as doors; each one of them is secured with a key. Giving our icon the classic spirit with an indulge of a modern look and feel.
