

America is captured...

A fact made horrid...by the imbecile in the White House.

When a transnational criminal cartel headed by the Chinese Communist Party openly steals the US Presidency...It is our birthright and duty to resolutely oppose that criminal tyranny.

The **MAGA** Playbook

WE THE PEOPLE OF THE UNITED STATES OF AMERICA DO HEREBY SET OUT TO END Joe Biden's fraudulent PRESIDENCY ALONG WITH AN EQUALLY FRAUDULENT CONGRESSIONAL MAJORITY endeavoring to destroy America.

In accordance with our Founding Principles and the United States Constitution...we do solemnly pledge to defend our REPUBLIC against all ENEMIES foreign and domestic including the Chinese Communist Party, (CCP), who owns and operates the voting machines used to rig the 2020 Election.

How bad does it have to get before WE act?

On 1/6/21 over a million Trump voters showed up in DC to make sure Pence didn't do anything STUPID... like **certify the fraudulent election** of a brain dead traitor.

Yet, it HAPPENED...A cleverly staged **"INSURRECTION" skit** was all Pence needed to betray America.

The Arizona Audit and Newsom's "RECALL" confirm our worst fears... Americans NO LONGER HAVE A SAY IN THEIR GOVERNMENT.

The 2020 LIE is a living nightmare...AND...our government IS IN ON IT. Trump is not POTUS, 80 innocent MAGAs rot in a DC jail, the audits are stalled and we are "experimental" vaccine lab rats.

The question is...

Will WE kneel to a CRIMINAL regime?

...as the ENEMY expects.

OR,

Will WE fight for our MAGA victory?

The **MAGA Playbook** uses the Founding Principles to make a case against Biden's transnational tyranny and offers **AMERICANS** a path to **secure our sweeping MAGA 2020 victory and a Free Republic for generations to come .**

The MAGA Playbook is your template... to win

....with Faith, Determination and Courage.

Republican politicians who Accept the 2020 STEAL are OUT! MAGA insists on the following:

1. **Fix 2020 FIRST!** Stop ALL of the **People's work** until full forensic audits are completed nationwide and Biden's victory is DECERTIFIED.
2. **BOYCOTT** fake Democrat Congressional majority. Don't show up or vote on anything. The real victors must fight for their legitimate seats !
3. **OBEY NOTHING** handed down by a CRIMINAL Regime & Congress. Publicly announce your refusal to COMPLY & call on voters to do likewise
4. OMG! Chinese Communists online rigged 2020. **Declare WAR ON CHINA!**
5. **REJECT** ALL spending nonsense **FOREVER**. Balance the budget!
6. **SAY it OUT LOUD....HONOR MAGA.....TRUMP WON!**

The MAGA leadership difference...

1. Fight for all **of the above**. **"Eye of the tiger"**!
2. Sledgehammer Dominion voting machines. Secure Paper ballots, only in-person ID voting & Hand count only w staining ink thumb print
3. **We are the BOSS! Make them NOTICE.**
4. **Shut down** the money machine. Boycott Big Box. They hate us!
5. **Boycott Black Friday.** March w **TRUMP WON** signs instead
6. **Buy nothing** made in China or ASIA... except Japan
7. Or, Buy expensive Big Box Chinese goods, use and return...
8. Pull kids out of government schools. Ditto leftie colleges
9. **CONNECT** "Team up, neighbor up, tribal up and plan"
10. **Use the 535 MAGA Project to Elect & monitor authentic MAGA** Republican **candidates..** Blow out the smoke-blowing RINOs
11. Send handwriting letters to anti-American CEOs advising them of your decision to BOYCOTT their products indefinitely
12. "BUYCOTT" pro-America sponsors (TY Brian I)
13. Pray. Then act with faith-filled determination and courage.

The AZ Audit Gets to the bottom of the Nov 3 crime

IT genius, Jovan Pulitzer, of “the American Project” Podcast notes that the Arizona Audit reveals 4 specific election CRIMES used to defraud voters:

1. No patented “secure paper” was used anywhere in Maricopa even though it was required by law & SOS Katie Hobbs assured the public it was in use everywhere on 4 separate occasions
2. The voting machines were illegally & continuously online enabling real time remote vote monitoring and count alterations
3. The voting machines’ isotope readers used to identify “non-secure” paper ballots were uniformly disabled.
4. The polling logs and voting record were completely erased prior to Audit submission which is an FEC felony. Federal Law requires all voting records to be secured for 22 months.

Failing in AZ is NOT an option

The **blatant AZ election crimes above reveal an organized conspiracy to STEAL THE 2020 ELECTION. AND, are enough to DECERTIFY THE 2020 ELECTORS NOW.** But, Who will make that call? Apparently NO ONE in a position of authority yet...Which leaves We the People of Arizona & America to insist. Call on Senator Wendy Rogers, Sunny Barelli, Karen Fan and all patriotic AZ legislators to convene a special session to recall & decertify electors and then submit Articles of Nullity to a vote in both houses. And cast new Trump electors!

If this does not happen...then citizens across America **MUST DROP EVERYTHING** and join Arizona voters at the State Capitol to insist law makers uphold their Oath to the US Constitution and the Republic. (Picnic, Take pets and lawn chairs so the MEDIA can’t spin it as another MAGA insurrection. Stay put until they vote to NULLIFY).

Our founding documents enshrine Americans’ disdain for tyranny and our right to determine how **WE** are governed. Thus it is our right as “*sovereign citizens*” to take steps against foreign & domestic enemies who defraud us of our right to vote.

STAND FIRM... to uphold the US Constitution....**THIS IS NOT AN “INSURRECTION”!** Americans are **NOW** rightfully and Constitutionally in **RESOLUTE** opposition **TO** those among us who willingly collaborated with foreign enemies to overthrow our Republic by installing a fraudulent “president”.

A “GAME CHANGING HOLE” IN THE ENEMY’S GROUND GAME!

Remember Biden openly bragging about his ‘Election Fraud Team’... Not only did they cheat 70 million Trump’s voters out of a resounding **VICTORY**... they rubbed our collective “terrorist” noses in it ...

Or, did they?

The Arizona Audit did something **unexpected**...it uncovered a gaping hole in the enemy’s ground game. Using Chinese owned voting machines to Rig 2020 was one thing...but letting Dominion employees erase **VOTING RECORDS AND POLL LOGS EARLY** was **a bridge too far.**

.... hmmm...Why would they rush to erase proof of a victory?

WIN or LOSE. They broke FEC Laws requiring all voting records be securely maintained for 22 months. A prematurely wiped or “archived” log is a **CRIME. A CRIME that requires Electoral Decertification equal to the number of total votes wiped.**

Wiped logs means Decertified Electors and ultimately Nullifies a fraudulent victory when the aggregate number of wiped voting records exceeds Biden’s margin of victory. Wiped logs and records also means big fines and jail time for officials who allowed it. (ITS NOT TREASON BUT I’LL TAKE THE VICTORY)

DO NOT let them tell you the records and logs have been “ARCHIVED”. Archived data is not more than 2 clicks away. WE The People INSIST ON SEEING ALL THE “Archived” data too. IT IS OUR CONSTITUTIONAL RIGHT TO CHOOSE HOW WE ARE GOVERNED and be assured that the process is FAIR AND TRANSPARENT. . Especially in view of the BREACH IN THE PUBLIC’S CONFIDENCE IN THE PROCESS AND ALLEGED OUTCOME after the AZ Audit !!!!!

DO NOT BACK DOWN ON THIS!!! THEY ARE HIDING THE CRIME OF THE MILLENIA. HEADS WILL ROLL...

(MAGAPlaybook action steps to follow)

MAGAPlaybook action steps: fire up the PRAs

1. Bring friends to meet with both your State Legislators, Assemblyman & Senator. Bring signed PRA emails/letters from those who couldn't meet. Explain that the meeting is urgent based on the just out Arizona Audit results.
2. Advise your State Reps of a **Complete Breach in the Public's Confidence in the 2020 Election results and of their responsibility to help restore confidence by examining the voting records and polling logs.**
3. **Insist the State Reps Public Records Act (PRA) request ALL precinct voting records and polling logs from your the Registrar of Voters or Clerk.** We own those records and are entitled to verify them.
4. Make the ROV (Registrar of Voters) PRA request for the records yourself if they refuse. (Use FOIA Request letter below) Social media post w pics of treasonous officials _____ & _____
Reps who are collaborating with the enemy by refusing to examine the voting data.
5. Take a software/big data programmer IT tech with you to the ROV meeting. Get the ROV to explain the data if any for 2020. Insist your tech also reviews the 2020 election data. **Insist on seeing all archived data too if they try that ploy.**
6. Have your tech determine if the 2020 election data is gone. Deletion is the only way it can be altered. The individual data sets can't be changed.
7. **If the records are erased advise the ROV and Reps of the FEC 22 month rule. Remind the ROV that wiped logs is a FEC CRIME. Ask the ROV to explain the circumstances surrounding the log wipe.**
8. Social media post your findings of criminal polling log wiping. Demand that the corresponding number of wiped vote **Electors be DECERTIFIED.** Continue to examine VOTING DATA STATEWIDE. Keep subtracting the entire wiped vote count from the vote total from each wiped precinct in the nationwide. Decertify all wiped vote electors for Biden.
9. All State Legislators must request Public Records Act (PRAs) precinct data until the number of wiped vote records & polling logs exceeds the Biden "margin of Victory". **Cast new electors in favor of Trump the rightful winner of 2020.**

PRA REQUEST to end Biden's Criminal Regime

It is our RIGHT to examine voting records & polling logs immediately to restore public CONFIDENCE IN THE 2020 ELECTION PROCESS AND RESULTS.

FEC Rules require all voting records be secured for 22 months from November 3. Dominion employees are rushing to erase them across the nation which is a **CRIME**.

IF State Officials REFUSE to PRA request the records from the ROV (Registrar of Voters)... GO TO THE ROV AND social media IMMEDIATELY. Name ALL elected Representatives and officials who refuse to restore PUBLIC CONFIDENCE IN THE 2020 ELECTION RESULTS by releasing voting data. (Street & social media shame them)

Tick tock... before August 3, 2021

Dear State Representative/Senator and _____ precinct Registrar of Voters;

As a voter in _____ District you are advised of a MAJOR BREACH OF PUBLIC CONFIDENCE IN THE 2020 ELECTION RESULTS based on the Arizona Audit, such that WE the voters are requesting a Public Records Act release for voter inspection of ALL VOTING RECORDS AND POLLING LOGS FROM OUR PRECINCT IMMEDIATELY INCLUDING ANY ARCHIVED 2020 VOTING DATA.

It is our RIGHT.

Advise me when these important records will be made available for citizen inspection. **Time is of the essence.**

PRA Public Records Act Request is the best weapon ever!

A PRA is State law just like the Federal Freedom of Information Act (FOIA) for government records is the best tool we have for getting to the bottom of the 2020 cheat. THEY HAVE 10 DAYS TO RESPOND. Patriots in every State need to Insist that your local State Representative submit PRA requests on your behalf for **all precinct voter records and polling logs (including the “archived” records)** to your Registrar of Voters. If they refuse... do it yourself. If the voting records are wiped (as Dominion employees have been racing to do) it's a felony. Game over!

PRA requests will provide all the **PROOF** needed to call to **DECERTIFY ELECTORS AND NULLIFY OF THE 2020 election results**, indict, arrest and convict traitors/ collaborators and declare Trump POTUS. If State legislators refuse to NULLIFY THE 2020 ELECTIONYOU have ample proof and the RIGHT to proceed AGAINST criminal COLLABORATORS ALL the criminals involved in defrauding voters. Impanel a Grand Jury of citizens to make the case. Also post their Traitorous pics everywhere.

STAND FIRM... THIS IS NOT AN “INSURRECTION”! Americans are NOW rightfully and Constitutionally in RESOLUTE opposition to those among us who willingly collaborated with foreign enemies to overthrow our beloved Republic by installing a fraudulent “president”.

911... What happen next in AZ is crucial

It begins with AZ. As it goes in AZ so goes the nation. Arizona leaders inspired the nation by having the guts to do a full forensic audit. Their meticulous work showed the nation 4 felonious tactics used to defraud voters. You can bet the criminal tactics used in Arizona happened everywhere. What happens next is crucial. The Arizona Secretary of State, Mark Brnovich is promising “a thorough review of the Senate Audit report documents”...but nothing more...

We know for certain what's at stake and who is likely calling the shots. Maricopa is the fourth largest precinct in America. The nationwide rush by the **Chinese owners of Dominion Voting Machines to scrub ALL voter records and polling logs hints that similar felonious wiping is going on everywhere...the good news** is that legislators in every state with wiped logs have **ample proof of fraud and ample cause to Nullify.**

The bad news is...If Arizona legislators lack the courage to Nullify the 2020 election results...it may require We the People to help them grow more backbone.

FAILING IN ARIZONA IS NOT AN OPTION...The line must be drawn in Arizona as the beginning of the end of Biden's tyranny. It appears **NO COURT OF LAW BESIDES WE THE PEOPLE CAN MAKE THAT HAPPEN.**

Pray and STAND FIRM in this historic moment.

REFUSE TO SUBMIT TO CRIMINAL REGIME

1. THE DECLARATION OF INDEPENDENCE established Colonists' disdain for tyranny. Today we face a worse dictatorship. One that shutter small businesses, conspires with our enemies, mandates experimental vaccines & rubber stamps bankrupting government debt. Read the US Constitution, Declaration of Independence and Bill of Rights as a family. Discuss what it means to be a free nation & WHAT CONSENT OF THE GOVERNED MEANS???? (Know your heritage. Refuse to comply w a criminal regime.)

Congressional majority installed by means of outright and well documented election
rigging.

Further, I STAND FIRM...KNOWING THIS IS NOT AN "INSURRECTION"! No matter what the enemy claims. Recruit first responders; Sheriffs, military and any law enforcement personnel to assist if they are willing to uphold their **Oath to the US Constitution and to defend the Republic AGAINST ALL ENEMIES FOREIGN AND DOMESTIC.**

OUR WAY OF LIFE AND THE FUTURE OF OUR FREE REPUBLIC HANGS IN THE BALANCE...Foreign and domestic enemies have canceled our RIGHT TO SELF GOVERN by installing a fraudulent President. Even if some Americans don't care...explain to local law enforcement organizations how mission critical their leadership and guidance is for this **PEACEFUL and Constitutionally sound this effort** to RESTORE OUR REPUBLIC is.

Be prepared...Use the **MAGAPlaybook** to explain your goals and tactics when possible. Leave behind an extra copies for their review and guidance as to how best to proceed.

Assure them of our firm resolve to win back the Republic **PEACEFULLY**. Particularly enlist the assistance of service member friends and family by giving them a copies of The MAGA Playbook to help explain our **urgent mission** and need for their support of their superiors.

Laying the groundwork here is critical. These people swore an Oath of Allegiance to the US Constitution and to defend the Republic against all enemies foreign and domestic...not to any individual. They should UNDERSTAND the historic and legitimate nature of WE THE PEOPLES' RIGHT and RESOLUTE DETERMINATION to throw off the tyrannical usurpation of our Rights by an illegitimate criminal REGIME (if and when ALL LEGAL REMEDIES ARE EXHAUSTED).

KEEP RECORDS AND NOTES OF ALL IN PERSON MEETINGS INCLUDING THOSE PEOPLE'S INTENTION TO SUPPORT OR OBSTRUCT OUR VERY EARNEST EFFORTS TO RESTORE A LEGITIMATE CONSTITUTIONAL GOVERNMENT. (Especially Know if they will assist with arrests warrants and jail space if ...God forbid it should come to that) (Keep and circulate notes of meetings so as not to duplicate efforts)

If the Legislators / Courts refuse to Nullify the Fraudulent 2020 Election

Citizen Demand Letter for immediate Redress of Criminal Election Fraud:

A Declaration of Nullification of the 2020 Election

Maricopa citizens vs. All criminal election fraud collaborators

We the People of the United States of America and as residents of Maricopa County... having been intentionally deprived of our Constitutional Right to select a government of our own choosing by means of regular fair, transparent and secure elections: **DO HEREBY DEMAND THE IMMEDIATE DECERTIFICATION AND NULLIFICATION OF THE 2020 ELECTION RESULTS IN FAVOR OF JOE BIDEN.** The recent Arizona Senate Election Audit Report highlights at least 4 separate Federal Election Law felonies committed to defraud Maricopa County citizens of their rightful vote.

Where as, In spite of State and FEC rules requiring secure 22 month preservation of polling logs and voting records both have been intentionally erased or "archived" prematurely from machine routers making an accurate audit of the physical ballots, records and logs to verify voter eligibly, ballot authenticity and the accuracy of the count impossible.

Further...No patented isotope secure paper was used anywhere in Maricopa in spite of laws mandating its use and AZ Secretary of State Katie Hobbs' public assurances that secure paper was in use everywhere on 4 separate occasions. Further the machine isotope readers needed to detect illegal ballot paper were turned off systemwide.

Recognizing the egregious nature of these crimes and the threat it poses to our way of life and the continuation of our Republic we do hereby **DEMAND that the Arizona State Legislature not only IMMEDIATELY decertify the 2020 Electors but also Nullify the Biden victory and recast all of the States' electoral votes in favor of Donald J Trump.**

Further, It is our opinion that failure of the Arizona State Legislature to take these crucial steps on behalf of Maricopa voters **places the very existence of the United States of America as a free nation under God in jeopardy.**

The extraordinary scope and systemic nature of the election cheating first uncovered in Maricopa County by the hard work and determination of both citizens and legislators alike makes it not only historic but doubly necessary to set the 2020 record straight NOW and by doing so...**give immediate and emphatic impetus to all citizens across the nation to demand the same courageous action from their own State legislators.**

“Unlawful elections mean the end of the rule of law in America”. Lin Wood

On September 24, 2021 Georgia patriot and Lawyer, Lin Wood, posted an urgent Telegram message (below) calling for “immediate post AZ Audit civilian action against nefarious actors who rigged the 2020 Election”.

Absent judicial or legislative remediation...The MAGA Playbook.com gives guidance for Americas to end the Biden TYRANNY by insisting on **Donald J. Trump as the “duly” elected President of these United States.**

“We were made for just such a time”...

Lin Wood, [Sep 24, 2021 at 10:00 PM]

If We The People do not fix 2020, every day that passes is a day when those who claim to represent us illegally hold office.

Illegally elected representatives do NOT represent We The People. They only represent the nefarious actors who rigged the election.

When our government officials are illegal, we as a nation have lost the rule of law.

The foundation of the rule of law in the United States is lawful elections.

So the Arizona audit report must be the beginning. The beginning of efforts by We The People to restore law and order to our nation.

Every state must be audited. Every state election must be investigated for illegality. Every state legislature must act.

The decision to FIX 2020
is the choice between whether you want a nation of law and order or a nation of lawlessness.

I pray We The People choose wisely.

Great News! 10/7/21

Just in Arizona State Senator, Wendy Rogers, stood with Eric Greiten, Missouri Candidate for Governor...to issue a historic call for all State Legislators nationwide to immediately recall electors and decertify a fraudulent 2020 Presidential Election as it becomes more and more clear that Biden did NOT WIN.

Her call to take Action... explained by AZ "field commander", reporter and lawyer, Boris Epshteyn is Constitutionally grounded not only in the Due Process Clause, but Article 2 of the US Constitution, along with rules set forth in the 10th, 12th and 14th Amendments.

Further, Senator Rogers, is urging her fellow Arizona Legislators to promptly reconvene in special Session to lead the way by being the first State governing body to Recall their Electors in order to Decertify the 2020 Election count in favor of Biden.

This is a very hopeful first step on the way to a Supreme Court Nullification of the fraudulent 2020 Presidential Election results. (By no means a foregone conclusion).

The Fine Art of Street Shaming...make them notorious & despised

_____ collaborates w the Chines
Communist Party to overthrow America!

_____ Wants America on her knees;

_____ IS PUBLIC ENEMY #1,

_____ is a BACK stabbing RINO TRAITOR.

HAVE FUN! Let their friends, golf buddies and neighbors know the DIRTY TRUTH about their elected pals who have overthrown voters & America.

Hire college kids to picket and make noise 24/7. CHANT, Bang pot lids and pans LIKE A MARCHING BAND. Copy Antifa. Wear Biden or Pelosi masks or ski masks beanies or just plain masks. Take bear spray or mace just in case. Post videos everywhere. Stay peaceful and loud. Ask cops not to interfere.

Call out & cancel corrupt obstructive politicians everywhere. Show up everywhere w their photo signs and messages of contempt especially at town halls if they dare. Say you're ANTI POLITICAL FASCISM & TYRANNY so they can't turn it into an Insurrection.

Add your politician's name and pic on TBA website along with start dates. Call them out everywhere in person and on social media. Make their treachery a career ending decision.

Do the same w corporate collaborators. Ie. Nike, Disney, NBA, Costco, Marriott, CNN, FOX news, public schools. CNN, MSNBS sponsons... Etc. See strikebackforfreedom.com for more corporate collaborators. (Lists to follow)

The **535 MAGAProject** stems from the number in Congress who hold the rest of us hostage. AND, the number of politicians who need reminding they WORK FOR US!

The **535 MAGAProject** puts MAGA voters firmly in control of the Republican Party: with a pro America agenda. No more smoke blowing RINO lies. (See the MAGA Republican Agenda below).

Video tape and social media post your candidate or Member signing the MAGA Agenda including specifically agreeing to publish the Agenda and a quarterly progress report on their websites so voters can easily monitor their Agenda results.

Any incumbent or challenger who wants your vote, money or time.... must post the entire MAGA Agenda and a video of themselves signing it to their campaign and or govt. website **No video taped public affirmation. No vote. No money. No help! Broadcast video results everywhere including the AGENDA & those who reject it.**

Restore the Republic & America's Energy Supplies

Time for **BOLD BIG RIG LEADERSHIP**. When you're tired of commies holding America hostage. Pass the word quietly. You know how...Use QR codes or bar codes. Recruit as many East Coast independent truckers, bikers, gear heads, celebrities, car clubs and just plain fed up motorists for the; **OMG!...."I'M OUT OF GAS & time with the DC CRIME BOSSES" BLOCKADE.**

Form a convoy at the appointed time (most reps leave DC on Thursday) and place circling the major artery around DC honking until you strategically **"RUN OUT OF GAS"**. Hang signs the saying:

FREE THE DC 80 POLITICAL PRISONER
ARREST BEIJING-BIDEN
BIDEN WANTS AMERICA ON HER KNEES
TRUMP WON! MAGA NOW!
KYLE FOR CONGRESS
FREE THE REPUBLIC & AMERICA'S ENERGY
GET THE CCP OUT OF OUR GOVERNMENT
"LET'S GO BRANDON" OR.....
SURRENDER KEYSTONE PIPELINE
CHEAP ENERGY = MAGA
ENERGY INDEPENDENCE NOW!
TRUMP IS POTUS...BIDEN IS POS
AMERICA REJECTS TYRANNY
MAGA HEARTS THE US CONSTITUTION
70 MILLION MAGAs MATTERS

Post **BIG RIG RALLY** pics everywhere...announcing you are out of gas and patience with Beijing- Biden's criminal regime and their destruction of America. Stay put! Grill some steaks & or order in until Congress re-enacts Trump's Energy Policies including opening Keystone and the Anwar oil, natural gas, coal, fracking, nuclear and off shore drilling. Have airtight legislation ready to go including funds to upgrade the power grid.

Even more crucial... Congress must decertify/nullify Beijing-Biden's fake victory in favor of swearing in Trump #45 as POTUS. Get MTC, Gaetz, Hawley, SCOTUS and Cotton to spearhead the process.

Idiotic times call for drastic measures. Social media blast RALLY pics everywhere w participants stating they **REFUSE to be held hostage by the DC cesspool for one more minute!**

STAND FIRM. This is NOT an insurrection....it is a **legitimate CITIZEN UPRISING TO CAST OFF the Biden TYRANNY and restore our BELOVED Constitutional Republic as a beacon of hope for the World.** Wouldn't it b fun if the whole world joined in...
