

Ferulic Peel

Mr. Carlos Aznar Sánchez (MD)
Medical board number: 7.406
Master in Aesthetic Medicine by L'Union
International de Médecine Esthétique (1991)
General Manager of Simildiet Laboratorios.

Ferulic Peel

Great antioxidant action. It stimulates collagen synthesis and deeply hydrates.

Particularly indicated for:

- Skin aged by exposure to the sun, wind, outdoors and tobacco.
- Skin without vitality and luminosity, dull, lifeless, rough.
- Sensitive skin.
