# NATURE PEEL HYDRODERMABRASION

Hydrodermabrasion uses water in combination with a diamond tip to gently exfoliate the skin.

- It is adjustable from extremely light to very aggressive so that we can tailor the treatment to the individual and their goals.
- This allows us to simultaneously infuse products that can hydrate, lighten pores and reduce acne, etc or fortify so that the procedure is really 2 in one.
- Even the most sensitive-skin individual may benefit from a nature peel that has been adjusted for their skin type.

# HOW DOES NATURAL PEEL WORK ?

- The Nature Peel Hydrodermabrasion can help those who has acne, sun damage, hyperpigmentation, brown spots, mild wrinkles, skin dullness and large pores, unlike other microdermabrasions.
- The Nature Peel Hydrodermabrasion combined non-invasive exfoliation with deep delivery of specific solutions directly to the skin without using crystal or other chemical exfoliation
- The procedure is non-invasive and extremely comfortable, its provide desire results.
- The Nature Peel Hydrodermabrasion treatment takes 20 – 30 minutes after than resume back to normal

# HOW DO I KNOW I NEED NATURE PEEL?

- Clients looking to reduce the appearance of fine lines, wrinkles, scarring, age spots and acne concerns with no downtime are good candidates for this procedure.
- Clients who have diabetes, autoimmune disease, history of cold sores or have had injectable fillers in the area to be treated should let us know prior to the NaturePeel treatment.
- All skin type can benefit from the NaturePeel treatment.

# BENEFITS

## WHAT BENEFITS CAN I EXPECT?

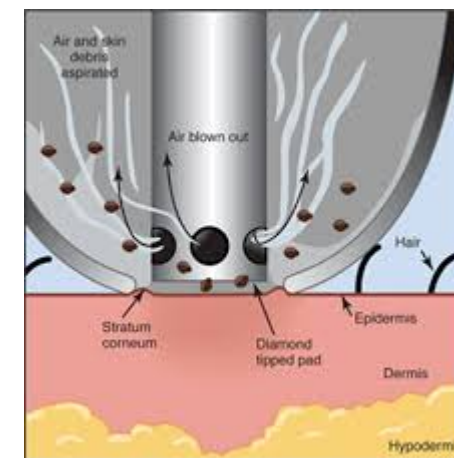

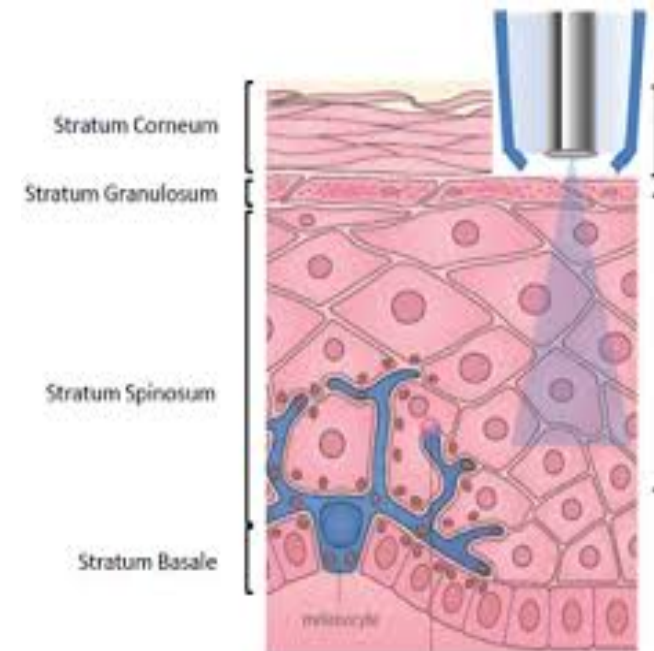

- To jump start your new skin we recommend 4-6 treatments 2 weeks apart and maintenance every 2-3 months.
- However, even one nature peel will usually refresh your skin for up to three weeks !
- It use serum for deep delivery technology and get more instant results compare with other microdermabrasion machine.

# HOW WILL I LOOK AND FEEL DURING AND AFTER THE TREATMENT?

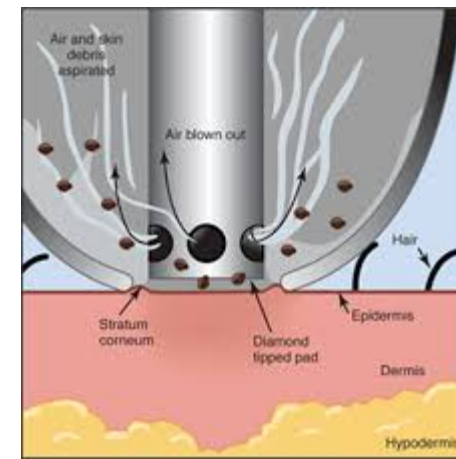

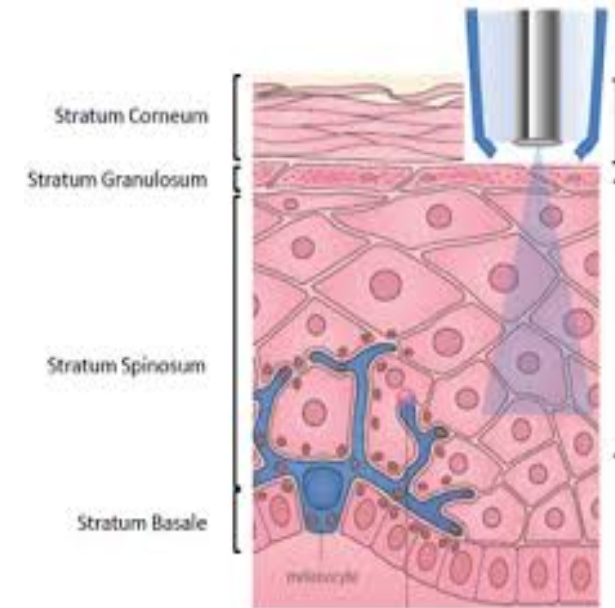

- 🌸 The NaturePeel infuses the products deep into the skin where they are most effective.
- 🌸 The solution delivers hydrating, antioxidant, acne-fighting and pore-reducing, or lightening infusions into your skin.
- 🌸 After cleansing and preparing your skin, we will perform the procedure with the specialized hand-piece.

# HOW WILL I LOOK AND FEEL DURING AND AFTER THE TREATMENT?

- ❁ The treatment uses a closed-loop vacuum system resembling that of a wand to exfoliate the skin. We will recommend the appropriate topical to infuse the skin and stimulate new cell growth.
- ❁ Each pass gently abrades away dead skin, thoroughly and evenly exfoliating while infusing the treatment solution into the skin.
- ❁ Your skin immediately looks clearer and brighter and definitely feels smoother and your makeup will go on easily.

# HOW WILL I LOOK AND FEEL DURING AND AFTER THE TREATMENT?

- 🌸 Clients can return back to work post treatment or resume their everyday routine.
- 🌸 Mineral makeup is recommended as it heals and soothes the skin without irritation post procedure and covers up possible redness which should lighten after a few hours.
