Athena's Mystic Garden-Tranquil Soul Session

Paige Elizabeth with Hair Rage is now adding her business with mine and offering yet another amazing experience to have here at the shop!!!

Now offering a 30 minute Cranial Massage therapy with a 30 minute channeled healing tarot reading and Maggie Ann with FenTeaCo. Will be offering her Relax-Me or Seasonal Teas.

My skills as a tarot reader will guide you through an insightful reading, while the gentle rustle of leaves and the soothing warmth of a cup of herbal tea enhance the experience. With each card turned, you'll receive not only cranial massages but also a sense of tranquility, as the garden's natural beauty envelops you. This holistic encounter provides a unique opportunity to align your mind, body, and spirit, leaving you refreshed and inspired.

"Come, sip tea with us, embrace the garden's magic, and let the wisdom of the cards reveal your path."

Book here. Mondays only 10am -2pm.
